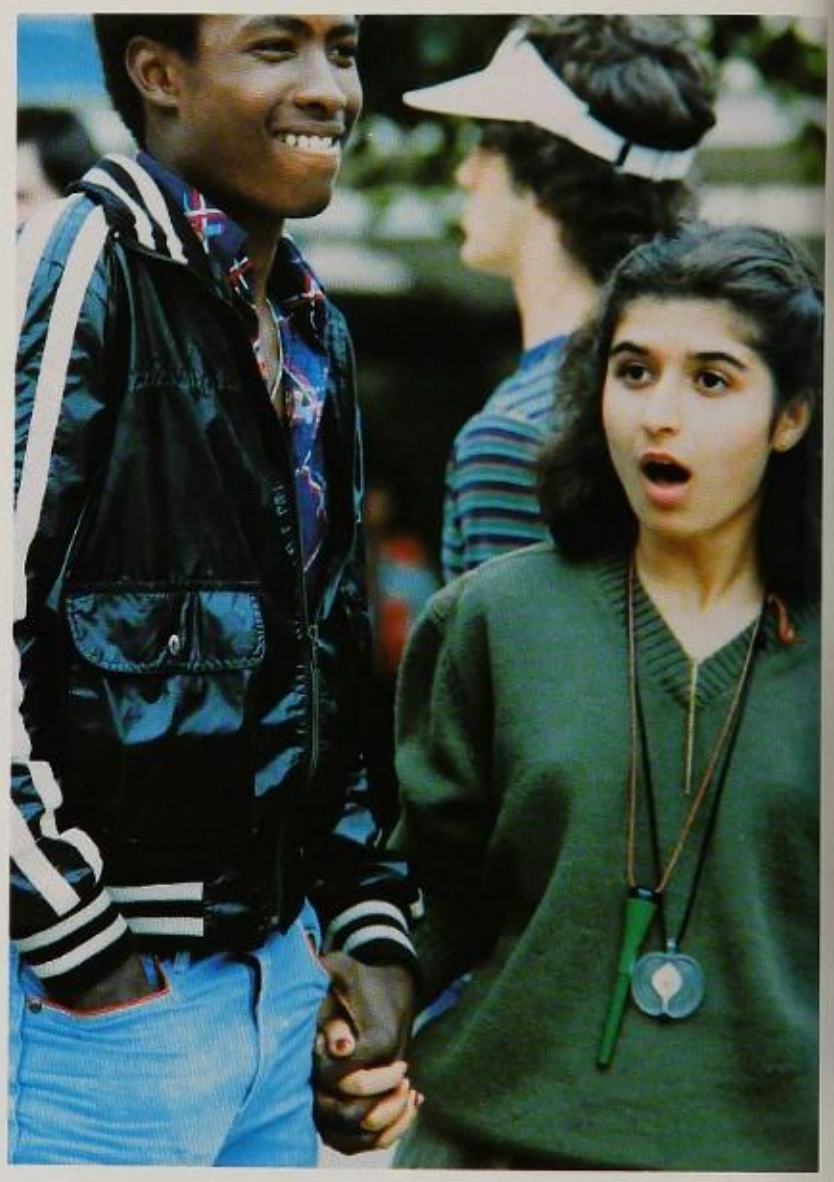
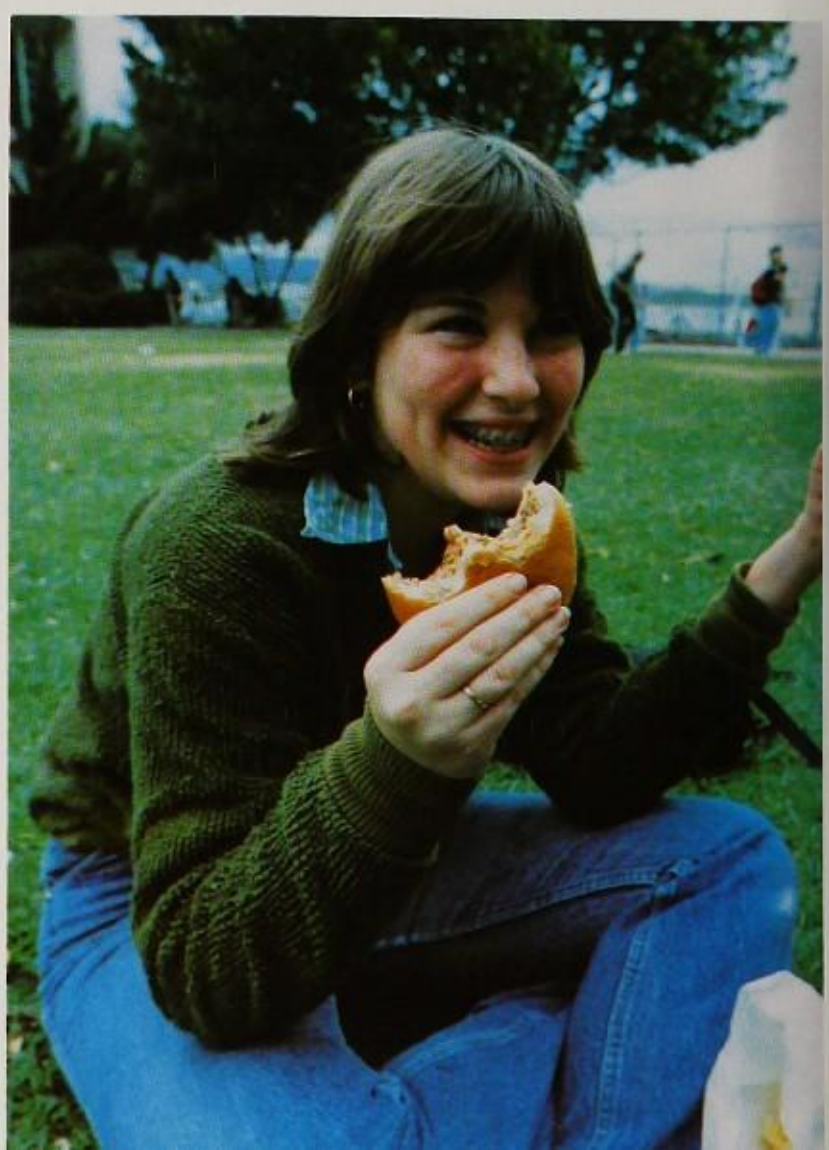
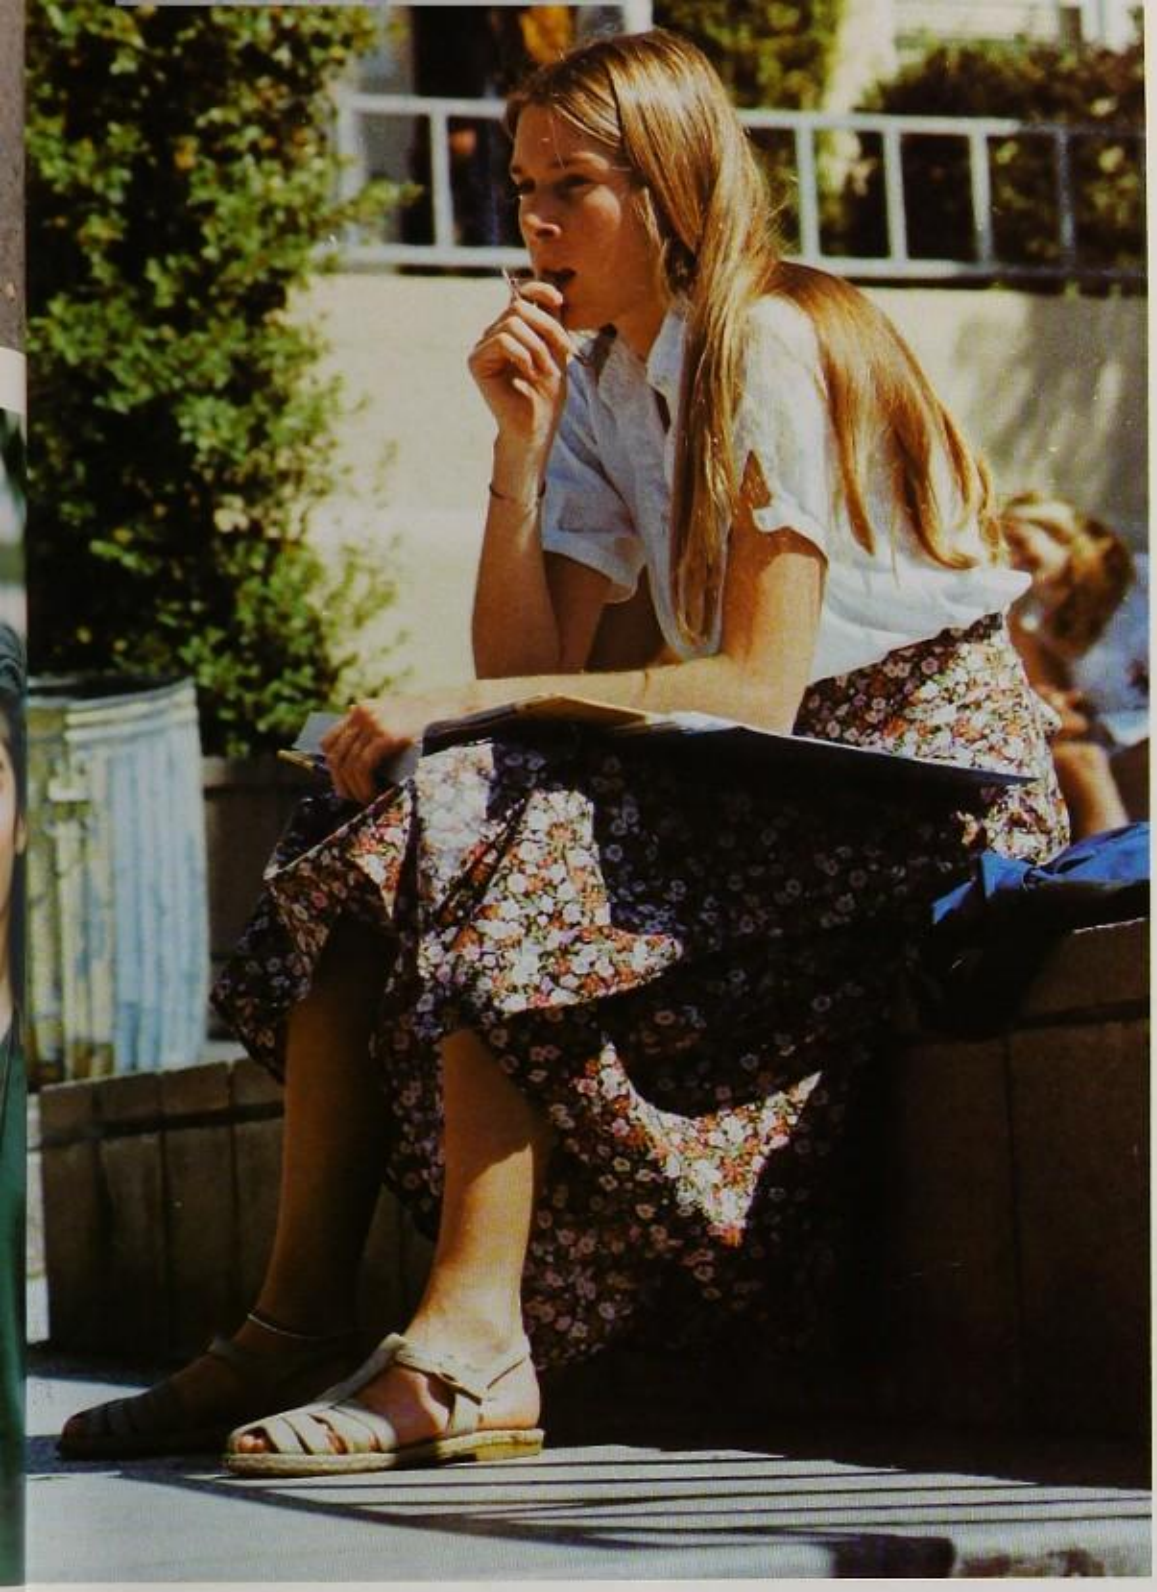
With the beginning of a new decade we are, all of us, entering a new phase. And as the 1970's turn into the 1980's, our lives reflect the new age. We will be challenged to enter new phases of technology, new phases of personal relationships, and new phases of consciousness. The alternatives become awesome because they seem to expand to fill a larger and larger universe.

Such reflections on this new decade may seem frightening to the isolated individual, but there is also terrific joy and excitement in embarking on this new phase. The dawn brings much hope.

The time has come for many of us to begin a new phase in our own lives. For some it will be college, or a job, for others a summer away from old friends. Whatever the situation, however, many changes will occur. Part of us would like to hold time transfixed and deny these inevitable changes, but a larger part knows the larger truth. We live for our dreams of the future and though today may be sweet, it is tomorrow we reach out for.







Take a long look around campus today. Everything seems familiar and yet it is not. Samohi has entered many new phases in the past months. Both faculty and student body are shrinking. Public funds and programs continue to be cut. Yet other, more hopeful, changes have occurred, too. Graffitti has diminished on campus. Our newspaper has become a lively sounding board for student voices. Theater productions were diverse and thought-provoking. Participation in clubs and activities reached all new highs. We have changed Samohi, and it has changed us.

HISTORY

Stingers

The year, as well as the decade, quickly drew to a close, but within the final days of 1979, Samohi celebrated one of its most awaited annual traditions, Homecoming.

The Associated Student Body planned the week's events, but the involvement of students and faculty carried those plans out, making the last Homecoming celebration of the seventies a memorable one.

The theme "Odin Goes Disney" reigned supreme during the week of October 22, beginning Monday, Tomorrowland Day, with a lunch time disco dance in the Humanities Center. Tuesday recreated Adventureland with an obstacle course at lunch, following the election earlier that day that would choose the Homecoming Queen from among the seven previously elected princesses. The Fantasyland celebration on Wednesday offered a dress-up day, overflowing with the many strange costumes it had to offer. Club and class sponsored booths in the quad displayed a flourish of tempting delicacy items as well as gifts to make a Frontierland Thursday a tasty day. Campus on Thursday showed the aftermath of tissue-mania from the night before, with the evidence streaming from every convenient tree.

Excitement increased as Homecoming Eve approached, leaving Homecoming Day just beneath the tissue.

Samohi Homecoming 1979 The Queen And Her Court

Amanda Thompson

Thursday evening, all club and class floats were either being started or completed in various locations on campus, in an attempt to preserve the sanity and property of Santa Monica residents from Homecoming madness. The city survived, but campus rowdiness caused an early closing of the school gates. Few people on campus were awake to notice the transition from Thursday evening to Homecoming morning, but once the day's excitement was common knowledge, nothing stopped the roll.

Starving float builders regained their strength at the traditional Waffle Breakfast. While the floats were being judged by several faculty members, preparations for the afternoon's Homecoming pep rally had begun, and tension was climbing.

Samohi's Sergeanettes, Marching Band, and a Disney-clad Pep Squad entertained the packed mob at the Greek Theater while everyone waited for the Queen to be crowned. Queen Isabelle Li gleamed proudly with her court of princesses, Kim Corliss, Elizabeth Eckert, Kirsten Holst, Shannon O'Brien, Donna Sanders, and Amanda Thompson.

The varsity football team offered us a gratefully accepted 17-0 shutout victory over West Torrance, and for some, the evening drew to a close at the Homecoming dance in the Girls' Gym. The year and decade ended with old familiar faces, and the hope for the same in the upcoming phases of life.

The Bowling Club is a new addition to the assortment of clubs at Samohi. It's purpose is to develope and practice the skills of bowling and to promote good sportsmanship. The Bowling Club meets only once a month at Samohi to carry out it's club business. But in order to play, the Bowling Club meets once a week, after school, at a local bowling alley. Although it is small, the Bowling Club has many enthusiastic members who help make bowling a fun and enjoyable sport.

Officers: Vertice L. Williams, President; Vickie Dixion, Vice-President; Lori Dooley, Secretary; Vienna Latimore, Treasurer; De Lisa Corter, Sgt. of Arms. Members: Renee Brown, Audrey Fields, Mischelle Grant, Rhonda Jones, Renee Mills, Dondrea Morgan, Charles Palemore, Roosevelt Roby, Anita Rodgers, Jennifer Singleton, Cecelia Stewart, Casondra Tucker, Don White, Russel Wreen

During the week of February 25 through 29 BSU helped Samohi in celebrating Black History Week. During this week they presented the band Pyramid consisting of former and current Samohi students and held a bake sale of foods from Africa. Also scheduled were a Black artist and speaker to inform us on what Black History is and means. However, two of the scheduled guests were unable to make the appointment. Black Student Union helped all of us be more aware of this growing talented community.

Malibu Drowns

The Santa Monica Bay area suffered severe damage in the worst storm recorded in history. During the month of February this area received ten inches of rain in one week. These ten inches of rain brought on many mudslides and road closures. There was only one way to reach Malibu during this week of rain and mud and this was through the valley. This meant that the Malibu students were stranded with no transportation to school. 600 to 650 students were absent due to the weather. Two people died after drowning in swollen creek waters. The swollen creeks washed away roads, cars, tennis courts, parks and bridges. The raging seas brought on it's destruction, also. The high tides undermined many houses and restaurants. The Sandcastle's floor crashed in and closed temporarily. A result of this storm was the raw sewage that flowed through the malibu creek and into the open seas. Santa Monica's Beaches were closed for a month. Cal Trans' clean up crews promptly cleared roadways. Photos are courtesy of Malibu Surfside.

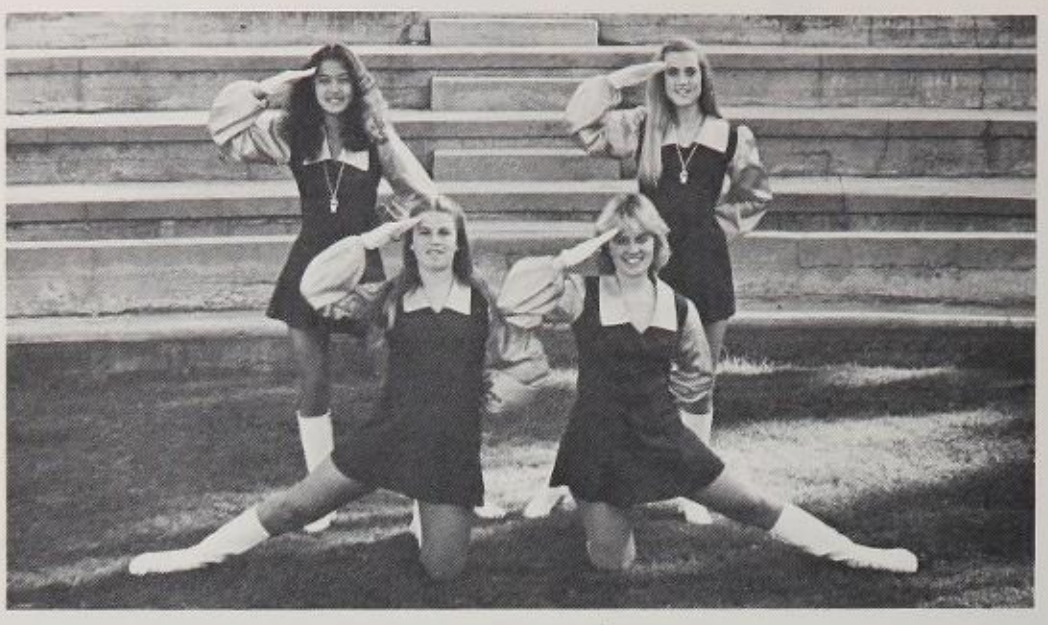
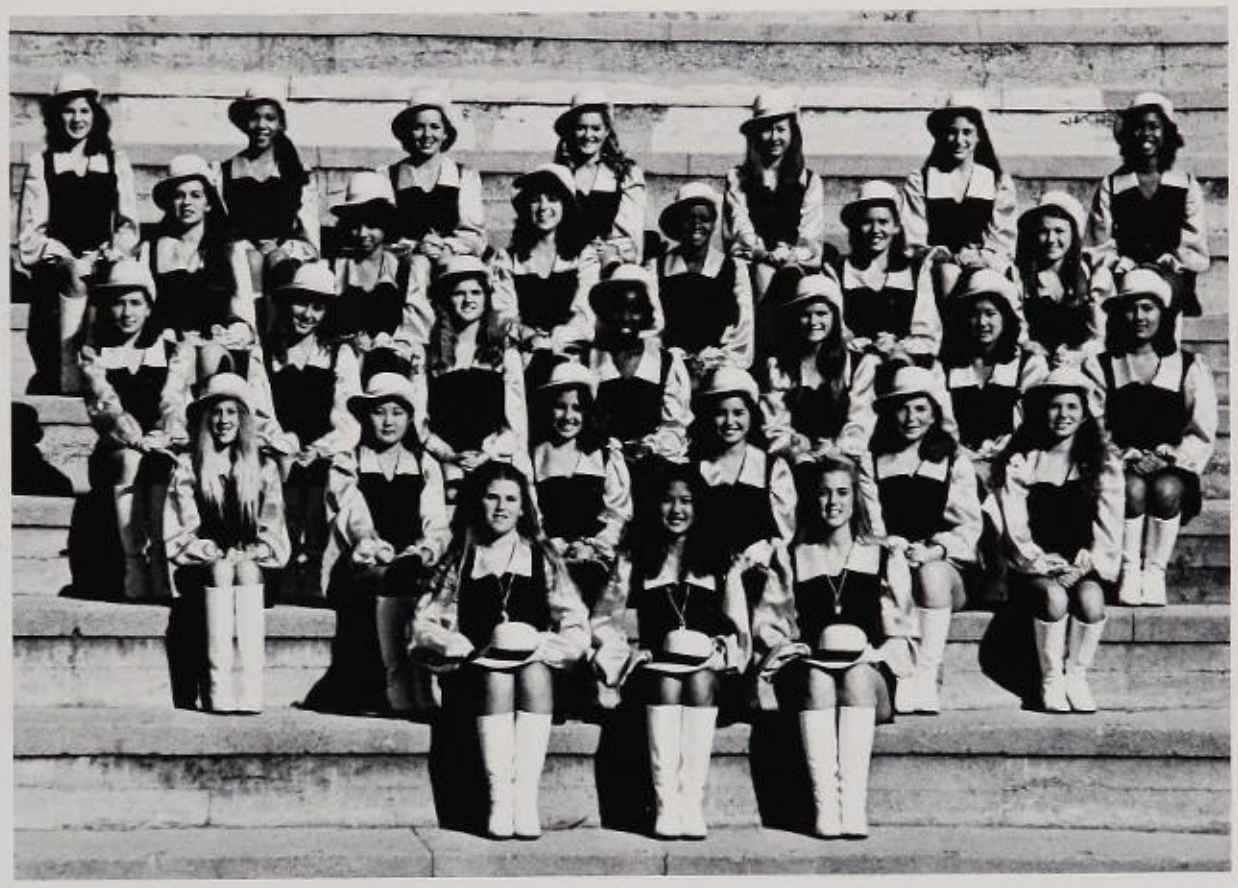
Captains

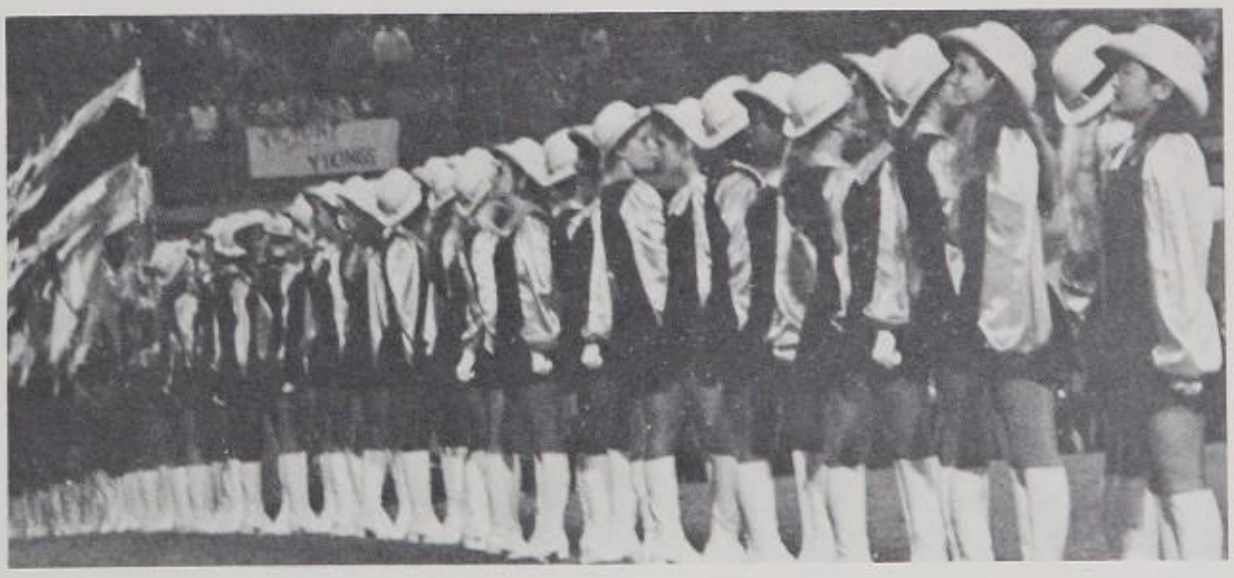


The 1979-1980 Sergeanette Captains were Stephie, Karen K., Karen B., Sandy, and Suzie. These Tall Flag and Drill Captains led their respective teams through a great year. Working with advisor Denise McElrea, they supervised many early morning practices, as well as afterschool ones. The Captains showed great leadership ability and performance skills.

Pictured at top, the 1979-80 Captains: (bottom row; l.-r.) Karen Broen, Stephie Straubinger (top row) Sandy Hamamoto, Suzie Jex (not pictured) Karen Koons

Drill Team

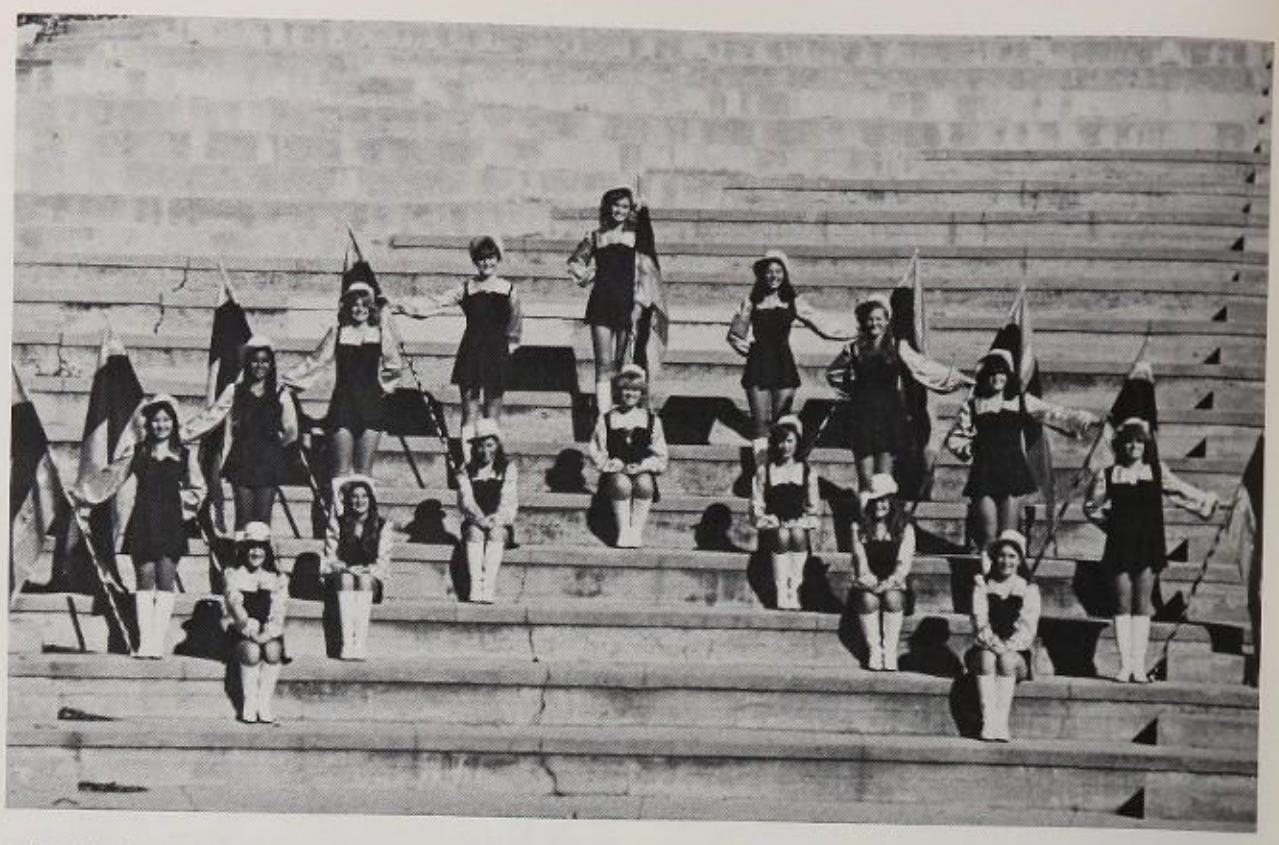


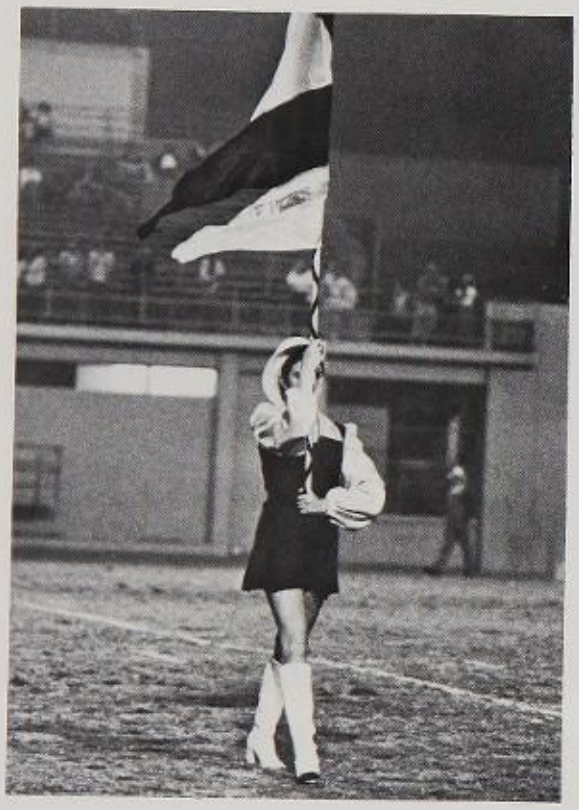


The Sergeanette drill team, led by new advisor Denise McElrea, performed at pep rallies and football games. They participated in numerous competitions, winning sweepstakes in the Canyon Days Parade, second at a competition held at the Anaheim Sheraton Hotel, first place in B-division at Antelope Valley, and fourth out of fifty groups at the Chino Band Review. They worked really hard all year long, spending two to three hours a day perfecting routines and marching styles.

Drill team members are: (1st row; l. to r.) Karen Broen, Sandy Hamamoto, Suzie Jex, (2nd row) Rhonda Elwell, Ritsuko Ono, Valerie Allen, Julie Brooks, Karan Rudduck, Mary Early, (3rd row) Alison Boole, Paula Davanzo, Kelli Orlando, Alicia Wilson, Leslie Digby, Emmy Akiyama, Joan Singh, (4th row) Christine Nichols, Megan Taylor, Allison Talaga, Michele Cole, Nadine Hernandez, Gail Burns, (5th row) Kim Salcido, Karen Williams, Stacy Boydstun, Aliza Heymann, Karen Stump, Kathy Bonozo

Tall Flags



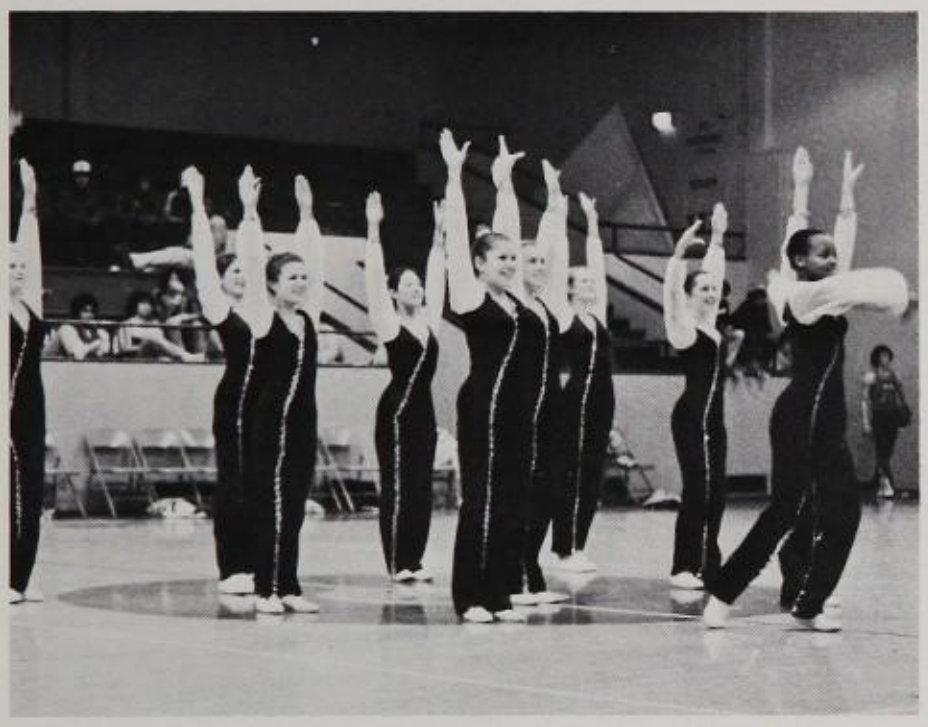


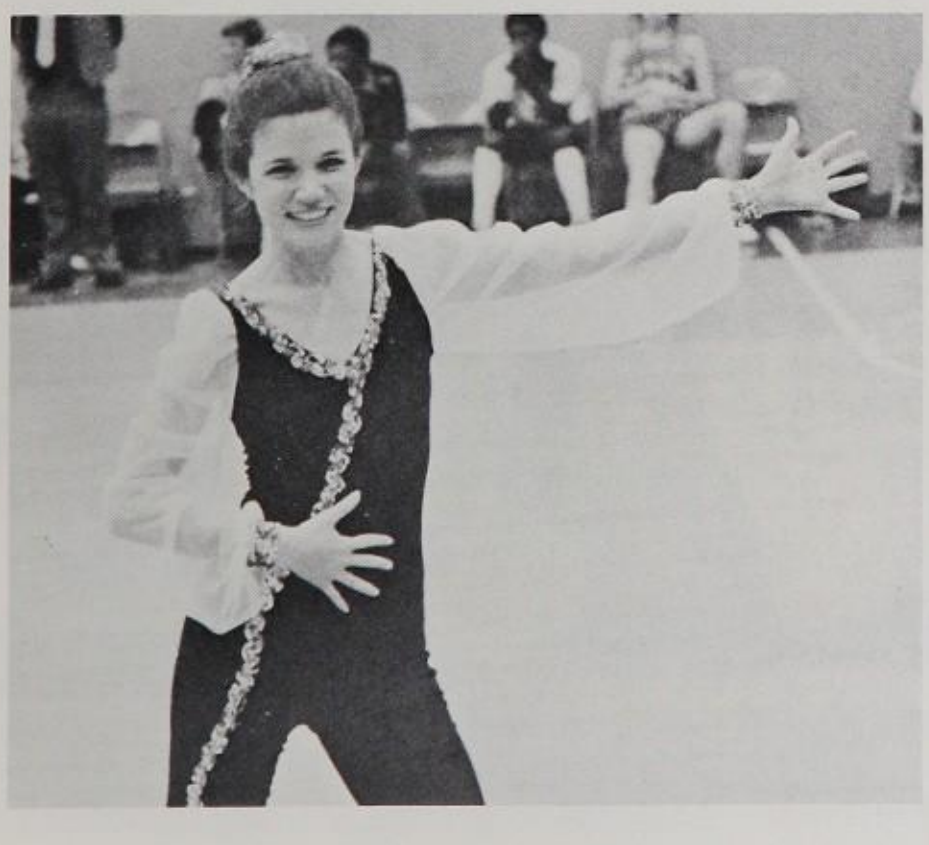
The 1979-1980 Tall Flag Unit enjoyed a very successful year. With the band and drill team, they performed in many field show competitions and parades. They showed tremendous school spirit as they supported Samohi's athletic events. The Tall Flags had fine performance skills and also showed great team cooperation and enthusiasm.

Pictured at top, the 1979-80 Tall Flags: (bottom row; l.-r.) Genie Jones, Kelly Mellachi, Lonnie White, Stephie Straubinger, Sarah Baker, Sherrie Dickie, Deanna Nagel (top row) Diane Walton, Dora Corral, Devon Brown, Pam Morgan, Lena Roblin, Debbie Stanton, Bridget Brayman, Robin Abrahms, Claudia Malis

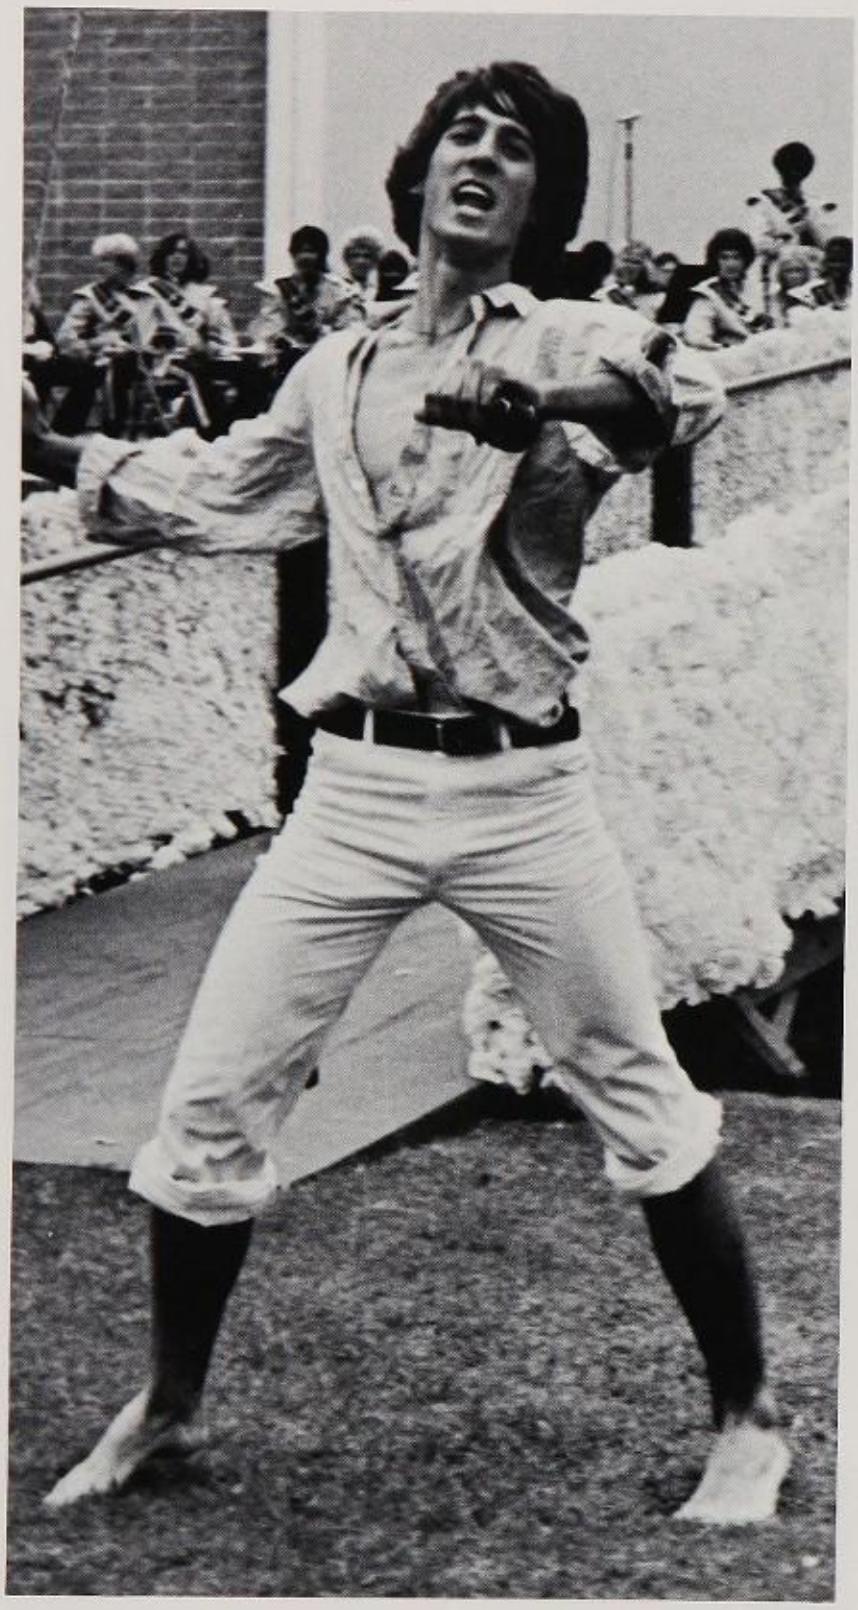
Dance Ensemble

This year, the formation of a new group at Samohi was seen. The Dance Ensemble, under the direction of Denise McElrea, is a performing and competitive dance team. They performed at basketball games and won many awards in State and National competitions. Their awards include: a fifth place in a competition at the Anaheim Sheraton Hotel; a fifth place from Arroyo High School; a fourth at Saddleback High School; a first place at Workman High School, which made them the Southwest Regional Champions; a third place at the Miss Drill Team U.S.A. Competition held here, in Santa Monica, which meant they were considered to be the third best dance team in the nation, and a second place at the South Bay Championship held at West Torrance High School. Pictured at left, the Dance Ensemble members: (bottom row, l.-r.) Alison Boole, Jade Kulka, Michelle Cole, Nadine Hernandez, and Mary Early. (top row, l.-r.) Kim Salcido, Donna Mangum, Aliza Heymann, Debbie Stanton, and Suzie Jex. Not pictured: Brenda Newman, Karan Rudduck, and Liz Gonzales.





Boy's Yell



Accompanied by megaphones, lunatics Jim Kiedaisch and Matt McGinnis followed in the second year of Male Yell Leader tradition. At games and most pep rallies they combined with the varsity cheerleaders to promote school spirit. But at Homecoming, when the cheerleaders decided to fade into their Disney personalities, Jim and Matt decided to head for tropical sunshine as "Pirates of the Carribean."

Girl's Yell

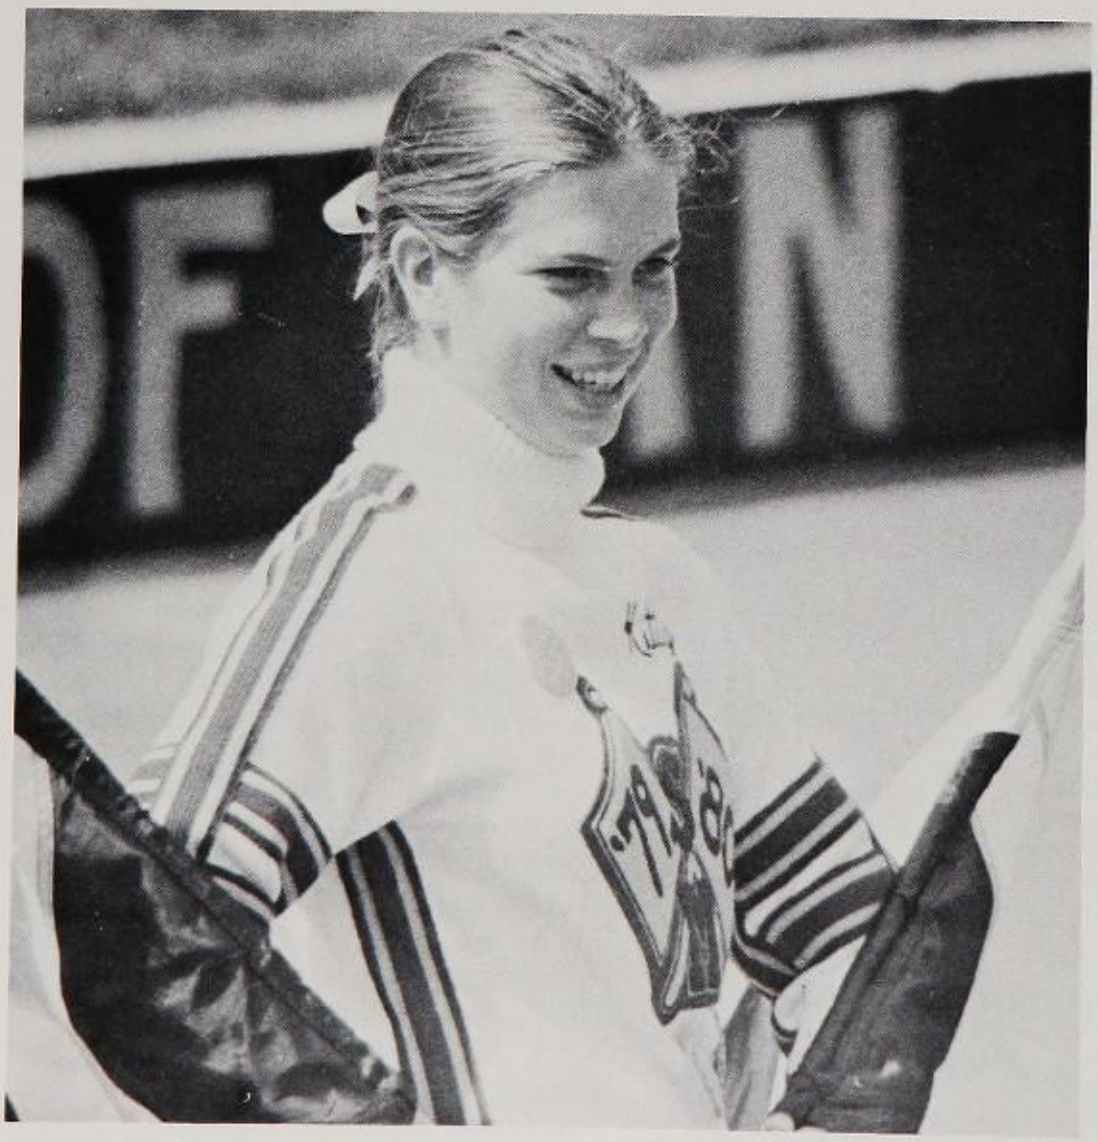
Like the 1979 champion Pittsburgh Pirates, the 1979-80 Girl's Yell team adopted as their theme song "We Are Family." This past year a big difference was seen in the spirit groups. Instead of having a Varsity and J.V. Yell, one large group was formed of seniors and juniors. This arrangement was proven successful as the girls cheered at pep rallies, football and basketball games. Among their most memorable rallies were ones in which they performed as football players, and Homecoming, when they dressed up as various Disney characters.

Pictured at top, the 1979-80 Girl's Yell: (bottom; l.-r.) Lisa Gilbert, Charlie Beatty, Janet Ehringer, Bev Shofner (top) Kim Garland, Brooke Buckley, Mary Richards, Shannon O'brien, Amanda Thompson, Lisa Griebel

Flag Twirlers

The 1979-80 Flags enjoyed an exciting and prosperous year. Over the summer, they received a Superior Trophy at the USA Spirit Camp. They performed at many football and basketball games this year. Some of their favorite routines were: "Bad Girls," "Manhattan Skyline," "Main Event," "Last Dance." The Flags would like to thank everyone for a wonderful season.

Pictured below, the 1979-80 Flags: (l.-r.) Leslie McGowan, Anne Taplin, and Kitty Hummer



Songleaders

The 1979-80 Songs: (bottom row; l.-r) Sharon Greedus, Vivian Rankin, Stephanie Cole (center) Denise Daly (top) Stacey Wright, Sylvi Kutz, Cindy Justice, Barbara Cochran

The 1979-80 Songleaders would like to present their year. It began during Summer when they attended CADA-NCA camp. Working extremely hard there, they brought home the spirit stick. When school began, the Songs cheered at football games, and during other Fall sports. They were also present at basketball games. The Songs performed numerous routines throughout the year, including: "Main Event," "On Santa Monica," "Celebrate," "Ease on Down the Road," and their Homecoming routine "Soul Mouse." The Songleaders would like to take an opportunity to thank the student body for their support this year.

Viking Marching Band

The Samohi Viking Band has had a sizzling year. This past season, they were heard by appriximately 120,000 people and have competed with over 90 high school bands. During the year, the band had become famous in Southern California for an unbelievable band sound; the "Santa Monica Sound" is what it is most commonly referred to. In addition, they have participated in several street and field competitions and competed only in the highest classes possible. Their field awards include a second place at Chaffey High School Field Tournament, Sweepstakes (highest award) and Best Music Award at Westminster High School Field Tournament, first place and Best Music Award (with score of 393 points of 400, highest score ever given in any SCSBDA Field competition) at Los Altos High School Field Tournament, Sweepstakes and Best Music Award at Savanna High School Field Tournament, and first place and Best Music at Antelope Valley High School Field Tournament. Their street awards include a first place at Frontier Days Parade, and a third place at the Lancaster Christmas Parade. The band also performed as a guest at the Disneyland Festival of Music and had invitations to perform for the Los Angeles Rams, San Diego Chargers, Los Angeles Dodgers and to appear in the Cherry Blossom Parade in Washington, D.C. Their Drum Major, Chip Bailey, has also received first through third places in street and private Drum Major competitions. Each band member has marched approximately 100 miles and rehearsed approximately 238 hours. The band members have thus marched a total of approximately 10,800 miles and have totaled 25,704 hours in rehearsal. All their hard work has paid off!

Madrigals

1979 saw the retirement of Madeline Brian, secretary to Mr. Wagnon, Supervisor of Fine Arts. At her party, the Madrigals gave a memorable performance. At Christmas time they were able to perform around the community to the delight of many people. By the end of the school year, the Madrigals will have had an exciting musical tour to Mazatlan, sponsored by the sister-cities foundation. The Madrigals also had their yearly festival at Cerritos College to which they had been looking forward eagerly since September. This year's Madrigal singers are Clif Berry, Robin Brees, Gregg Bruno, David Byrnes, Jeffrey Candell, Juan Castillo, Cynthia Conway, Robin Drake, Madeline Gray, Jaime Hernandez, Kathleen Livingston, Scott McKeown, Adriana Mora, Joseph Noel, Mia Pacelli, Gary Ponce, Leah Stock, Katherine Swanson, John Weideman, and Beth Wiggins.

The Viking Chorale with Madrigals and Girls Glee had a beautiful Christmas Concert, which was enjoyed by many. Stairway to the Stars was an anticipated concert this year, with the special attention of Lorne Greene. Loyola Marymount Festival is a big event for the Viking Chorale, because of the special invitation extended to them by the great Paul Solamonovich, coordinator of the Festival. In May, the three groups were performing again in the annual Spring Concert to the delight of the student population.

At the start of the new school year, it was feared that Girls Glee would be canceled, but thanks to the musical spirit of the Girls Glee, they were able to get a good enrollment to keep the class. The Girls Glee also had their annual festival at Mount St. Mary, at which they were proud to represent their school. Graduation is always a big event for the choral groups, not only because they pay tribute to the graduating seniors, but because this will be the last particular time this group will perform together.

The Madrigals, Viking Chorale, and Girls Glee would like to extend their love and gratitude to director Janice Mitchell, student teacher Peggy Morgan, and accompanist Anne Rogat.

The SAMOHI

Every Friday during forth period, the Samohi students anxiously await the publication of their school newspaper, "THE SAMOHI." The staff works very hard, not only during their journalism class fifth period, but also during their free time covering their "beats", interviewing, attending sport events, writing their articles, and laying out the pages. Under the supervision of Mr. Phil Sherwood, the staff managed to meet the deadlines and print the newspaper every week.

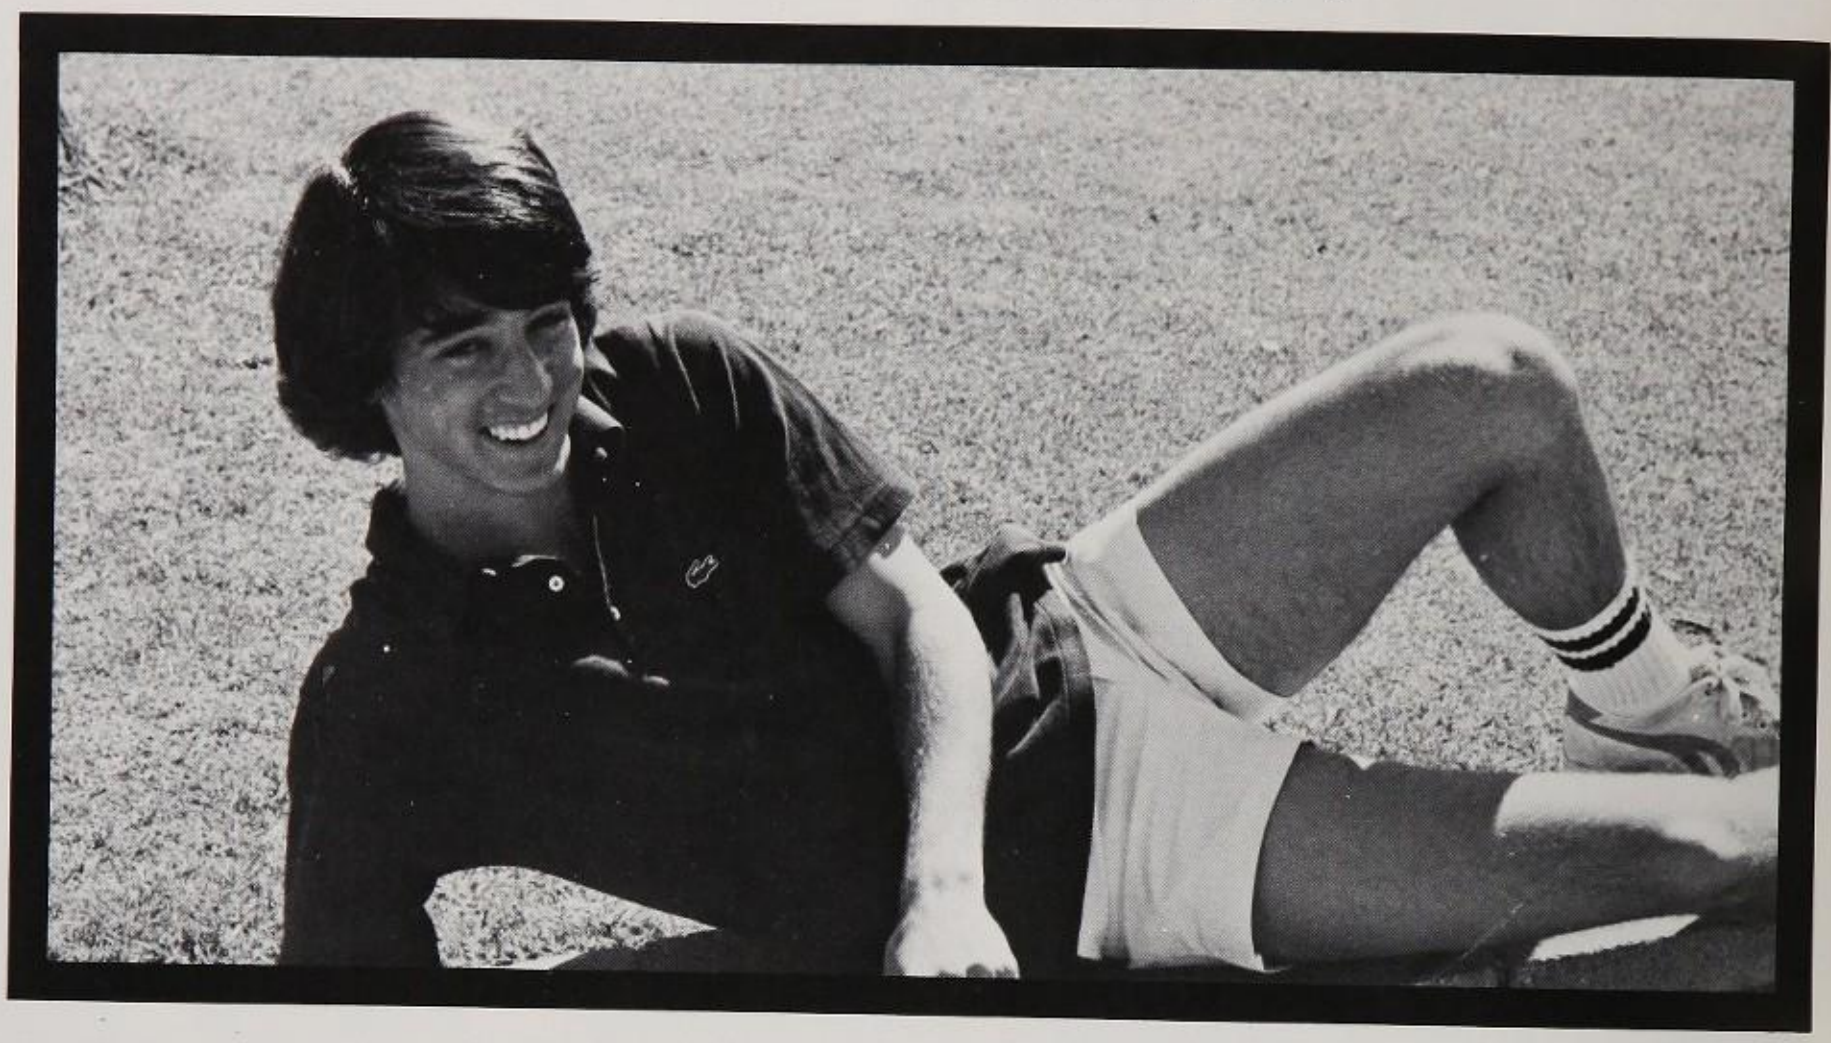
A.S.B. Cabinet



President-Matt McGinnis

This year was an active one for the members of A.S.B. Traditional Samohi events were controlled by them, as well as many new activities. A week of Disney was presented as part of Homecoming, making it fun, if not unusual. Some new ideas of this year include: Knave Day, in which several male students were auctioned off as slaves, the selling of tickets for a Lakers game as a fundraiser, and, for Valentine's Day, the election of Kings and Queens of Hearts from each class. These activities helped to make this year an exciting and memorable one for many Samohi students.

Gridders Give Satisfactory Performance

1980 was a mediocre year for the Varsity Football team placing third in the Bay League with a 6-4 record for the year. They made it to the CIF playoffs, but unfortunately were badly beaten in the first round.

The team beat tough schools such as West Torrance and Culver City. The latter became CIF champions. The Vikes played a pressure packed game against Palisades High School whom they easily beat.

Paul Beasley was honored as Team Captain. Most Valuable Player was given to Derek Singleton and Edward Yusef received the Most Improved Player honor. Tracy Eden was honored as the Most Outstanding Defensive Player. Other exceptional players were Defensive Back Aaron Brown, Larry Willis, a leading interceptor and Linebacker Dan Higuchi. Fred Rafeedie, the Vikes Quarterback, made the All-West Side team, in one game he passed 17 consecutive completions. Gary Young, Stephon Simpson and Antonyne Dunne all did an exceptional job on defense. The team had the talents of All-Bay Leaguers Joe Masakayan, Damone Johnson, Bill Niles, and Marlon Coburn. "They did well on offense, but exceptionally well on defense" said Head Coach Tebb Kusserow. Coach Kusserow was pleased with the performance of the team. He felt they had an exciting season and "they experienced all the emotions that come with playing football."

Sophomore Gridders- Outstanding Performance- Promise For The Future

This season the Sophomore Vikings fared well, tieing second in the Bay League. The strength of the team lied in the individual talents of the following players: Junior Thurman, Brian Thompson, Ian Maclod, Jim Funchess, Darren Payne, Most Valuable Player Dylan Stewart, and Most Inspirational Richard Garcia. With many exceptional athletes, the overall team quality was immense. Head Coach, Frank Nishimura, was reasponsible for leading the fine coaching staff. This aided the team in achieving its victories over Santa Barbara 30-6, Palisades 19-0, and West Torrance 14-7. The success of the 1979 Sophomore Team is expected to strongly contribute to next years' Varsity line-up.

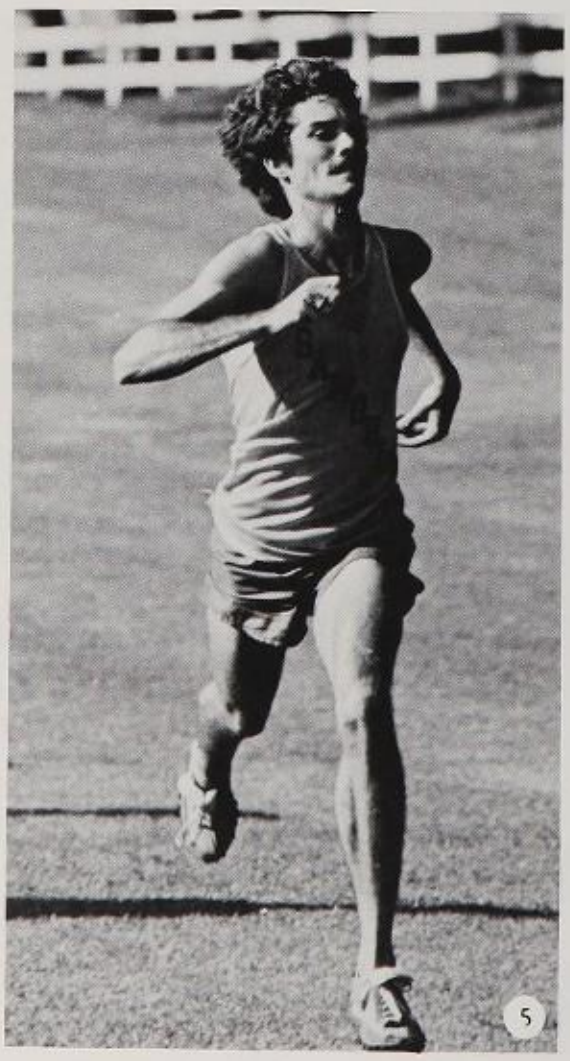
Guys Consistent To The End

1979 was a disappointing season for the Boy's Varsity Runners. They just couldn't pull through to win a race against any of the teams in the tough Bay League. It wasn't a question of dedication, they were simply up against really stiff competition.

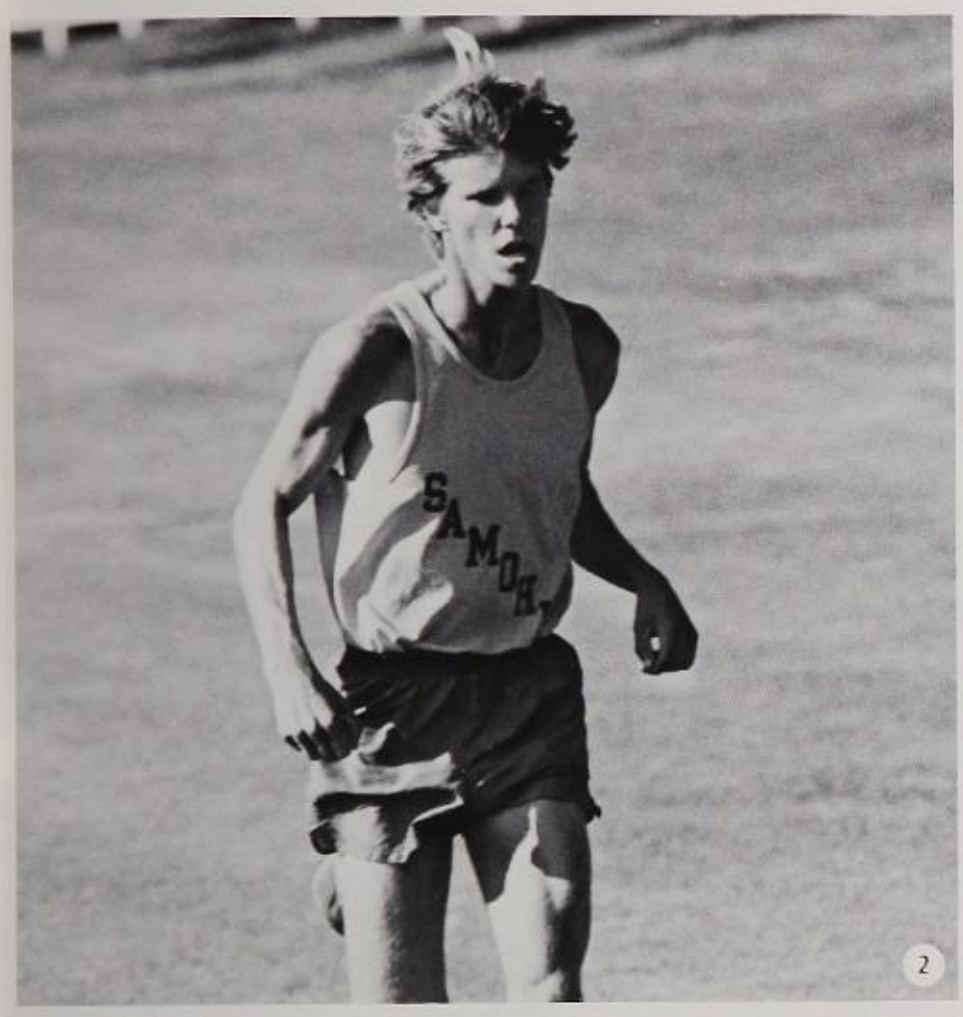
There were some bright spots on the team, though. Most Valuable Runner Steve Hagman and Team Captain Bill Horst, both three year varsity lettermen, consistently placed in the top five. Most Improved Runner Guy Garret also added strength to the team. Even though six varsity runners are graduating, the future looks good with sophomores Robby Bonney and Jon Bevington returning for two more years.

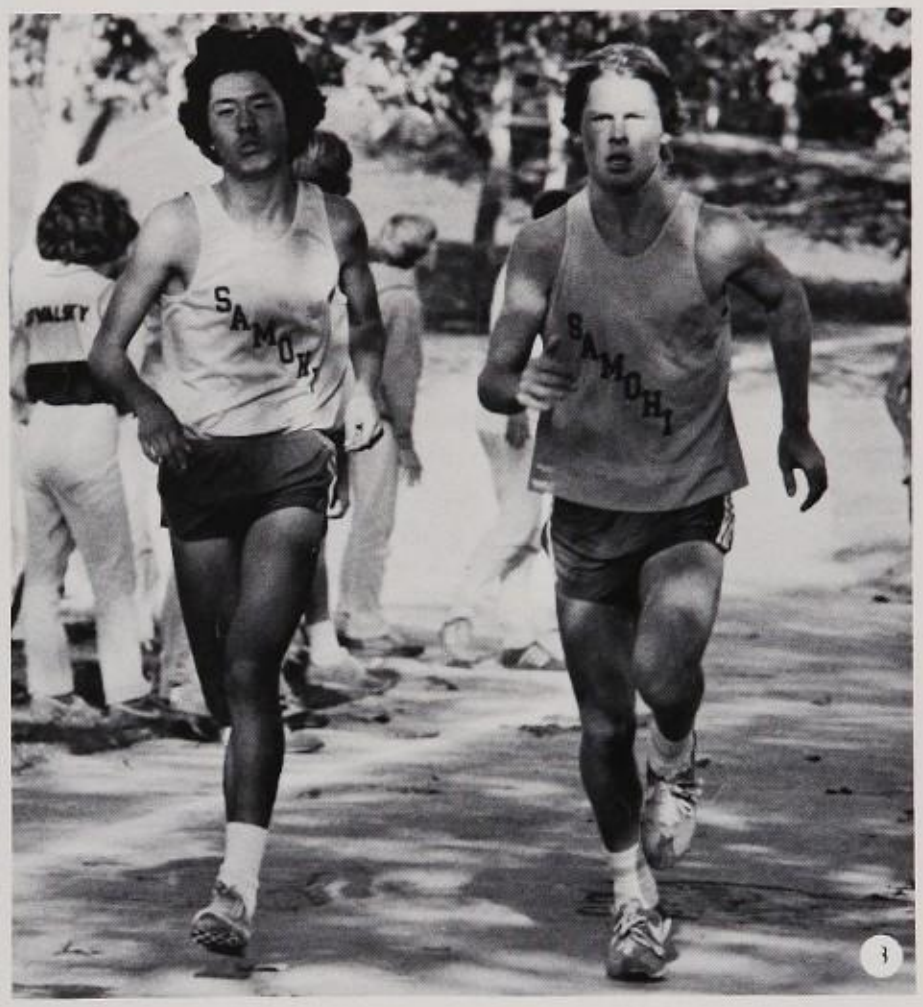


(1) Sophomore runners cheerfully warm up for their race. (2) Alex Saavedra wearily crosses the finish line at Bay League Finals. (3) Masochist Bill Horst agonizes down the stretch. (4) Boy's Varsity Cross Country Team: Front Row- W. Matsumura, R. Bonney, G. Garret, B. Horst. Back Row- J. Bevington, A. Bergher, S. Hagman, D. Meyer. Kannan, E. Emerson, J. Bevington, J. Heiken.

J.V. Running With A Super Attitude

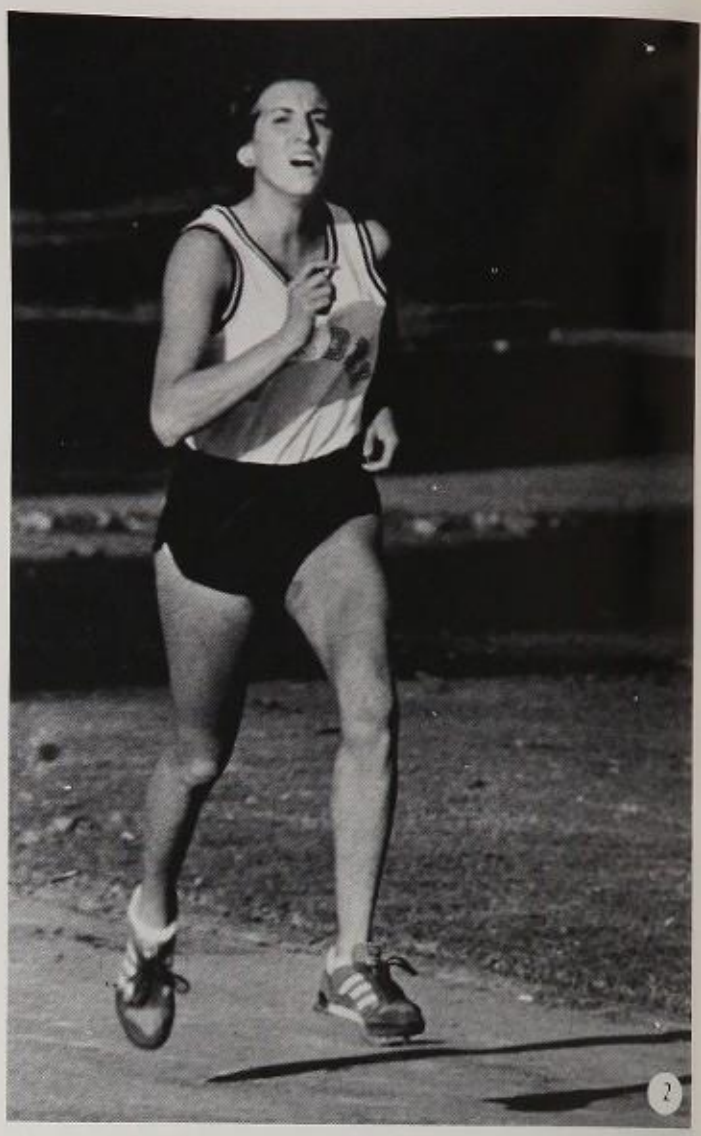
Although they had a disappointing season running against tough Bay League teams, the J.V. Cross Country team kept smiling. They were led by Most Valuable Runner David Meyer and Most Improved Winfield Turner. Under the direction of Coach Paul Kerry, this team should run on to a promising season in 1980.





Sophs Light The Course For The Future

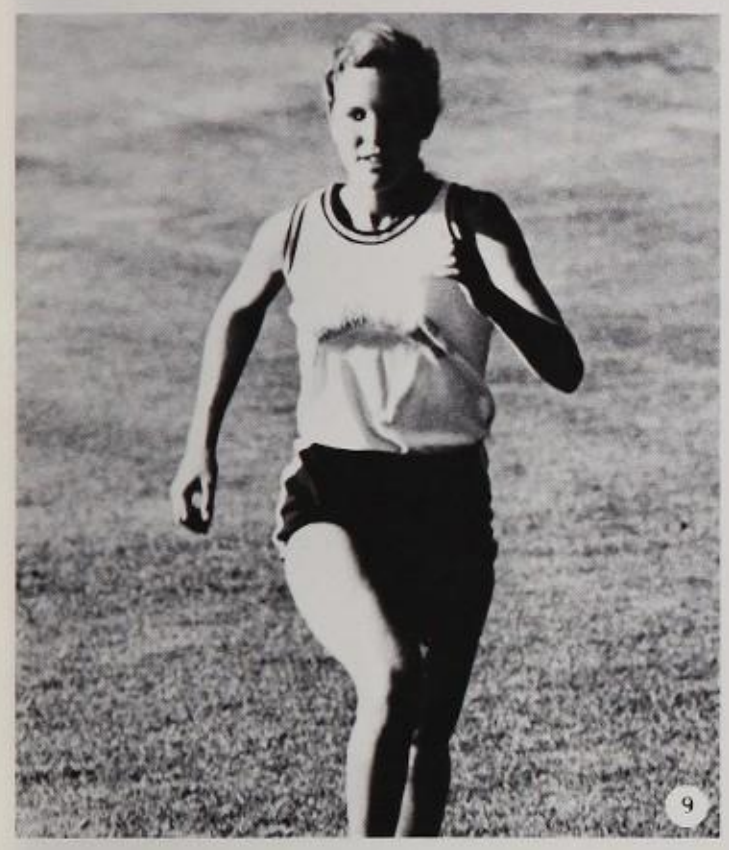
Since two of the sophomores were running on Varsity, this team was greatly weakened. On top of this, the runners suffered many injuries which hampered their efforts. Most Valuable Runner Robby Bonney had a good season on both the sophomore and the Varsity teams. Most Improved Mike Brilesleyper, also had a promising season. With luck and a lot of dedication, all these guys should lead Samo to some well-deserved victories in



Girls Run On A Strong Course

The Girl's Cross Country Team had a great season. Winning their first three meets, they went on to place third in Bay League Finals. The team was led by senior Lisa Scaduto who received the Most Valuable and Most Inspirational awards for her efforts. She was undefeated in all of the league meets and placed thirteenth overall in C.I.F. Team Captain Beth Gould also contributed a lot to the team. It is possible that injuries kept the team from placing higher in Bay League, but everyone tried their best, especially Janice Rourke and Ruth Fragoso, both of whom ran races with bad shin splints.

The loss of five varsity runners may cause the next few years to be rebuilding ones, but Most Improved Jeannine Davis, a sophomore, should lead the pack to victories.



(1) Pre-race anxieties are apparent on the faces of the lady Thinclads at the start of the season opener against Rolling Hills. (2) Most Valuable Runner Lisa Scaduto on her way to first place in Bay League Finals. (3) Despite shin splints, Ruth Fragoso comes through for the Vikes against Rolling Hills. (4) Most Improved Varsity Runner Jeannine Davis finishes with a great effort and then nearly collapses from exhaustion. (5) Team Captain Beth Gould strides down the course at Bay League Finals. (6) Stacey Lowe displays superior form as she pushes toward the finish. (7) Arms pumping, Sini Rebane finishes a good distance ahead of her Rolling Hills opponent. (8) A determined Tina McLeod completes the two-mile course. (9) Becky Reeves glides down the final sloping yards. (10) Most Inspirational Runner Lisa Scaduto cheers her teammates on. (11) Front Row-Manager B. Hardin, R. Fragoso, K. Jennings, J. Davis, A. Johnston, 2nd Row- T. McLeod, B. Reeves, S. Gardner, S. Lowe, 3rd Row- B. Gould, J. Rourke, L. Scaduto, S. Rebane. Netters Best Year Ever

Outstanding Year!...All the way to CIF Semi-Finals. Deep, Strong, Singles was the key to this record performance by the Girl's Varsity Tennis Team. The Lady Vikes had another great year, after last years Quarter-Finals, with a 17-3 overall record. Coach Candi Chain noted that there was "Much improvement and hard work" throughout the year, esp ecially amongst the top three singles players- S. Wilson, C. Kaus, and K. Bernard.

Wilson and Kaus contributed some key upsets in tough matches. Elizabeth Evans, a nationally ranked player, was one of Wilson's victims in the second round of CIF playoffs. Bernard played solid, consistant tennis all season long.

The top doubles team of L. Gilbert and C. Chase had an undefeated record against the first doubles teams of all opponents. Samohi's other sterling doubles performers were B. Borden, T. Campbell, A. Gilbert, D. LaGasse and, J. Sidley.

The Junior Varsity Tennis Team also had a good year, placing third in the Bay League. Coach Candi Chain stated that she "Mixed up" the singles and doubles to give the girls experience in both aspects of the game. Several players should be ready for next years Varsity.

Tankers Plagued

The 1979 Varsity Water Polo team was not up to its full potential this season. They placed fifth in the Ocean League with a 5-8 season record. Head Coach Brian McNulty felt the team was plagued with losses due to lack of experience and early demoralizing defeats. The team did, however, "really pull together during a Miraleste game," says McNulty. They lost to the Number One Ocean League team by merely a few points. The team went on to crush Palisades High School three out of four games.

Most Valuable Player was awarded to Senior goalie Milo Vaughs. He played some excellent games blocking up to twenty "would be" goals. Team Captain was awarded to Scott Bernhof. Bernhof, a Junior, played some "excellent defense" this season, according to Coach McNulty. Most Improved Player went to Jack Debes. Glen DuPont and Dana Keith really had a great season. The team did come to develop a great deal of respect for Coach Brian McNulty.

The Junior Varsity team did, however, have a great season. Their record was 8-5 and they placed second in the Ocean League. The team was coached by Coach Robert Coulter who "has a way to bring out the best in people" says McNulty. Peter Poles was voted Most Valuable Player because of his smart plays and his ball conscience moves. They held their own against some of the toughest teams in the powerful Bay League and finished with an overall record of 13 wins, 9 losses, and 2 ties. According to Coach Lopez, one of the best things this team had going for it was the fact that the guys got along so well and played together as a well-meshed team.

Leading this year's team were some extremely talented seniors. Ramon Cortez received both the Most Valuable Player and the Midfielder of the Year awards. Mohammed Beglari led the offense winning Forward of the Year while Matt Richardson headed up the defense earning Defender of the Year. JV Soccer Shoots For The Future

The junior varsity team is traditionally used as a training ground for developing technical skills and gaining experience. This year the new coach, Tom Militello, emphasized the importance of a good, positive attitude as well. He continually stressed the ideas contained in the famous phrase, "It's not the winning that's important, but the taking part." Under his direction, the JV team won the consolation bracket of the West Tournament and finished with an overall record of 7 wins, 11 losses, and 2 ties.

Goal keeper Rod Prasad earned both the Most Valuable and Most Inspirational awards for this season while Steve Gonek was named Most

Cagers Efforts Prove Superior

The 1979-80 Varsity Basketball team had a sensational year!! They had the most successful season Samohi has had in recent times. The Cagers were Ocean League champs with a 22-2 record and went on to CIF play-offs.

The 1980 Viking team was the first Samohi team to ever win the Beverly Hills tourney in the 38 years they have played in it. They went on to win the Malibu Tournament and then later became Ocean League Champs.

The outstanding season was due to the depth and balance of the team. There was no one player to stop, they all were excellent. Outstanding players were First Team All League selection Mark Kleffel, Bill Behling and Montel Hatcher and Second Team All League player Larry Peterson. Bill Behling and Montel Hatcher were leading scorers, Ken Sprague and Mark Kleffel were leading rebounders and Larry Peterson lead the team in assists. Junior Damone Johnson added his talents to the team.

The Cagers suffered only two losses. The first against Rolling Hills. Head Coach Gary Luttel felt this made them work harder and play better basketball. The second game they lost was to Mira Costa. They did, however beat Palos Verdes, a tough team, with the final score 60-47. They also beat Palisades in the Beverly Hills tournament by a five point spread, the final score being 62-57.

"They were very team oriented, balanced, enthusiastic and unselfish. That's what really made them go," said Head Coach Gary Luttel.

Sophomore Basketball Has Respectable Season

1980 was an impressive year for the Sophomore Basketball team. The team went to become Ocean League Champions, displaying a remarkable 14-0 season record. Contributing to the teams performance were Junior Thurman, voted Most Outstanding Defense Player, Brehnen Knight, Most Inspirational Player, and Anthony Freeman, Most Improved Player. The other two starters were Glenn Hues and Bill Catchatorie. Anthony Freeman was the leading scorer, Glenn Hues was the leading rebounder and Junior Thurman had the leading assists.

Coach Cliff Hunter felt the teams' triumph was due to well-balance. Having gained experience quickly, the team became victorious over their Opponents.

Early Season High Hopes Fade Away

The Samohi Grapplers got off to a good start winning the Varsity Quad and placing 4th in the Centinella Valley Tournament. At this point the team's spirit was shattered with the loss of one of their best wrestlers. Mid-season the team hit bottom doing fair but definately not up to their full potential. Although never pulling out of their slump completely they managed some late season victories, especially against South.

Boys' Swimming Looking Good

Boys' Varsity Swimming is looking forward to a sensational 1980 season predicts Coach Brian McNulty. Their pre-season record is 5-1-1. The team is showing a lot of dedication by the many hours of work they are putting in that will pay off before the season is over.

The team consists of a few returning Seniors such as Glen DuPont, Milo Vaughs and Dana Keith, all adding depth to the team. Hector Chaos, Mark Baer and David Orr are three outstanding Sophomores swimming on the Varsity team.

The swimmers are training hard for Bay League Finals and CIF finals, hoping to do well in both.

The Sophomore team is hanging in there with a pre-season record of 5-2. Peter Polos and Jack Debes are two of the swimmers that make up this team. They hope to do well in League Finals too.

Girls' Swimming Looks Hopeful

1980 is going to be a tough year for the Girls' Varsity Swimming. The team was leagued up into the Bay League. But, the girls are fighting back with a 4-2 pre-season record. Already some of the swimmers have qualified for CIF. Jessica Wilkins, Marcela Svanda, Jenny Polos and Margie Spencer have qualified for the 400 Freestyle Relay. Both Jessica and Marcela have also qualified in their own individual races.

Although the team has lost many swimmers from last year they are still strong and show a desire to win when the Bay League Finals come around. Coach Carrie Rodionoff is hoping for a promising season.

The Sophomore team is doing outstanding. They have a 6-0 pre-season record and trying hard to stay undefeated. They are strong and show a lot of depth. Kris Baffert and Jenny Carter are two of the swimmers that make up this powerhouse of a team.

Lady Cagers Earn CIF Spot

Outstanding! The Girls' Varsity Basketball team had an excellent 1980 season, moving up from league 3A to 4A. Their league record was 17-7 and they were Co-Champions of the Bay League. The Lady Vikes made it to the CIFX play-offs but, unfortunately were beaten in the first round.

The team had some outstanding players such as Anita Rogers. She was named the Most Valuable Player in the Bay League and she made the Beverly Hills All Tournament Team. Susan Dwyer made the Second Team Bay League and was chosen for the All Tournament Team in South Torrance. Joanne Feldman, Delisa Carter and Kathy Burright were among the starting line-up too doing an excellent job.

Delisa Carter was named MIP and Anita Rogers was awarded MVP. Best Defensive Player was earned by JoAnne Feldman and Kathy Burright was honored as the Most Inspirational Player. The Team Captain was given to Susan Dwyer.

The Junior Varsity Girls' Basketball team had a fair season with a 5-5 season record. Sensational players were Laura Dale, Lynn Coleman and Kim McDaid.

Head Coach Dick Beede enjoyed working with the girls. He felt their success was due to their "hard work and improvement".

Hard Work Needed For Varsity

The Boys' Varsity Tennis team has fallen upon hard times since the beginning of Bay League play. The lack of success can be attributed to only one thing, lack of depth. The team has worked hard and tried different lineups, but still has come up empty handed resulting in a mid-season 0-7 record. Top contributors were John Nissley, Andrew Jayne, Frank Langen and Bruce Bates. Bates, who mostly played singles, but occasionally played doubles, provided strength. A notable stand-out was Mike Esserts, a Sophomore, who moved from mid-J.V. to Varsity. Bill Murray, Rande Giberson, Jeff Styrt, Brad Wendland and Dave Scott also contributed to the over-all effort.

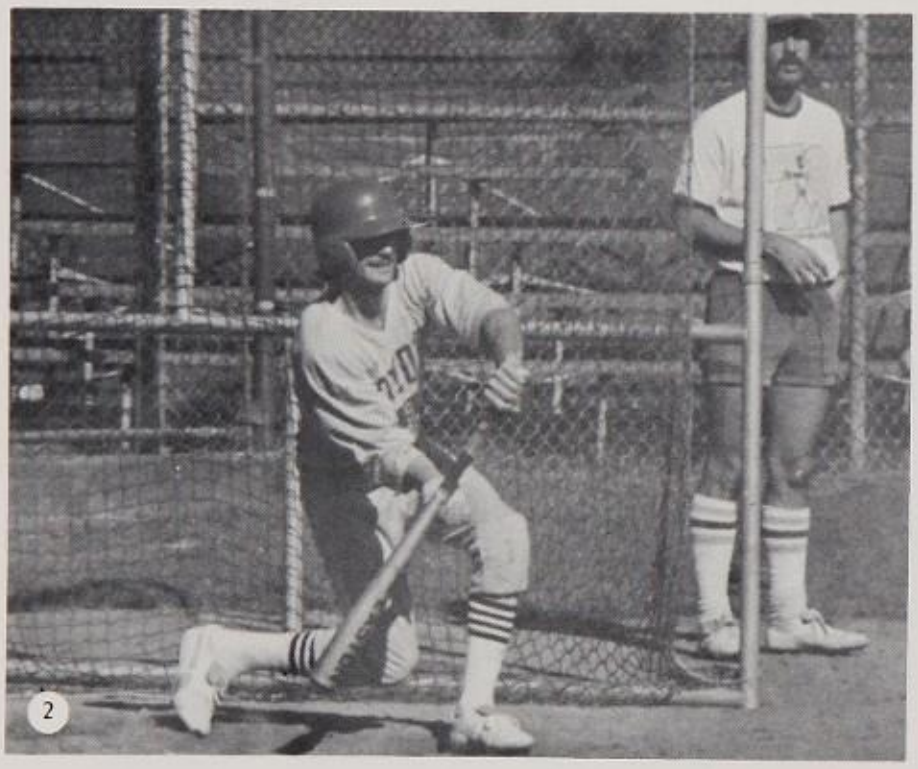
JV Netters Off To Good Start

The Junior Varsity tennis team has, "improved much", says coach Chain. She also noted that they have worked hard and been very supportive of the varsity. Some J.V. players, Jim Esserts, Mike Esserts, Bill Murray and Tom Barnard have been brought up to play varsity, due to lack of varsity players. This is good experience as most of the J.V. will be playing varsity next year.

Varsity Baseball — Inexperienced But Willpowered

The 1980 Varsity Baseball team hopes to do well this season. Head Coach Chuck Ice, predicts the team to do exceptionally well by the beginning of April. The team lacks experience, having lost many valuable Seniors last year. However, Don Currie, Alfredo Saenz, Gilbert Brazino and David Selby will be returning Varsity Seniors who will contribute immensely to the promising success of the 1980 season. Pitcher Neil Newns, leading hitter Richard Dewar and first baseman Ken Petersen, all Juniors, will also add their talents to this season.

The members of the pitching staff are faily experienced, but the offensive team is exceptional. Coach Ice feels this is the hardest working team he has ever worked with. "They feel a team unity and have the willpower to do well this year."



1. Row 1 l to r; C. Currie, M. Favia, D. Selby, R. Dewar, N. Newes, J. Motor, J. Stumpus. Row 3 l to r; B. Norris, R. Farai, R. McGeagh, A. Saenz, D. Currie, M. Bentzen, K. Petersen, D. Singelton, G. Briazeno, R. Casillas.

The Junior Varsity Baseball team is fairing well with a 4-4-1 incomplete season record. The team, playing in Bay League, has beat Rolling Hills three times and North Torrance once; both respectable teams. Stephonx Simpson, the leading pitcher and Sean Heyman are contributing their talents to the Vikes. Coach Don Sealy feels the team "has plenty of talent" and those going on to Varsity next year will be a great asset.

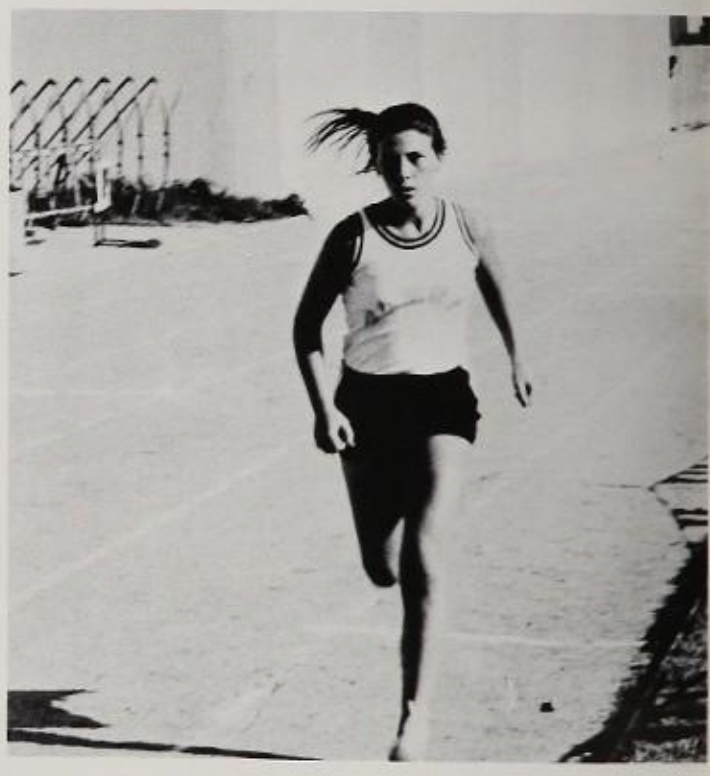
Girls Track Strides On

Considering the numerous inquries, the Girls' Track team gave an adequate performance. The Thinclads displayed a mid-season 3-2 record in the Bay League. Lisa Scaduto running the 2 mile, 1 mile and 280 assisted the team along with Lori Dooley running the 100, 220, 440 and the mile relay.

Sharon Hamilton, 11th in the state, contributed her talents in the shotput and discus. Anita Rodgers broke several school records in the long jump.

Although the girls are plagued with injuries they did their best.

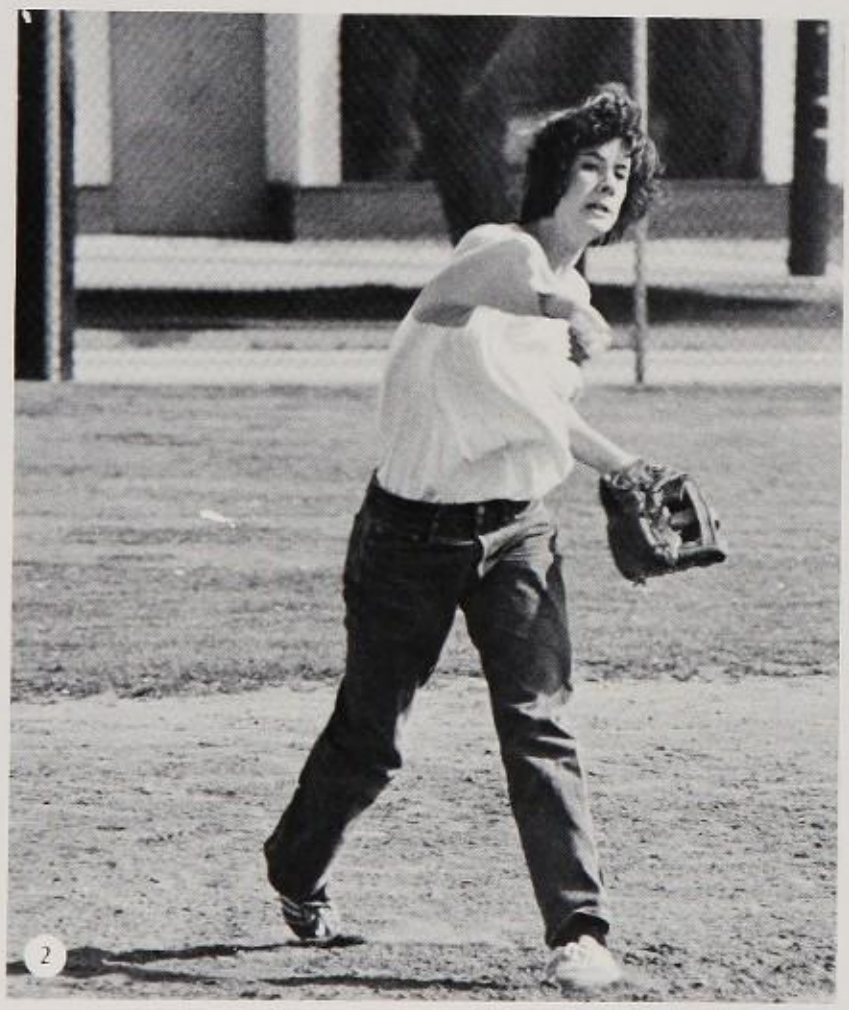


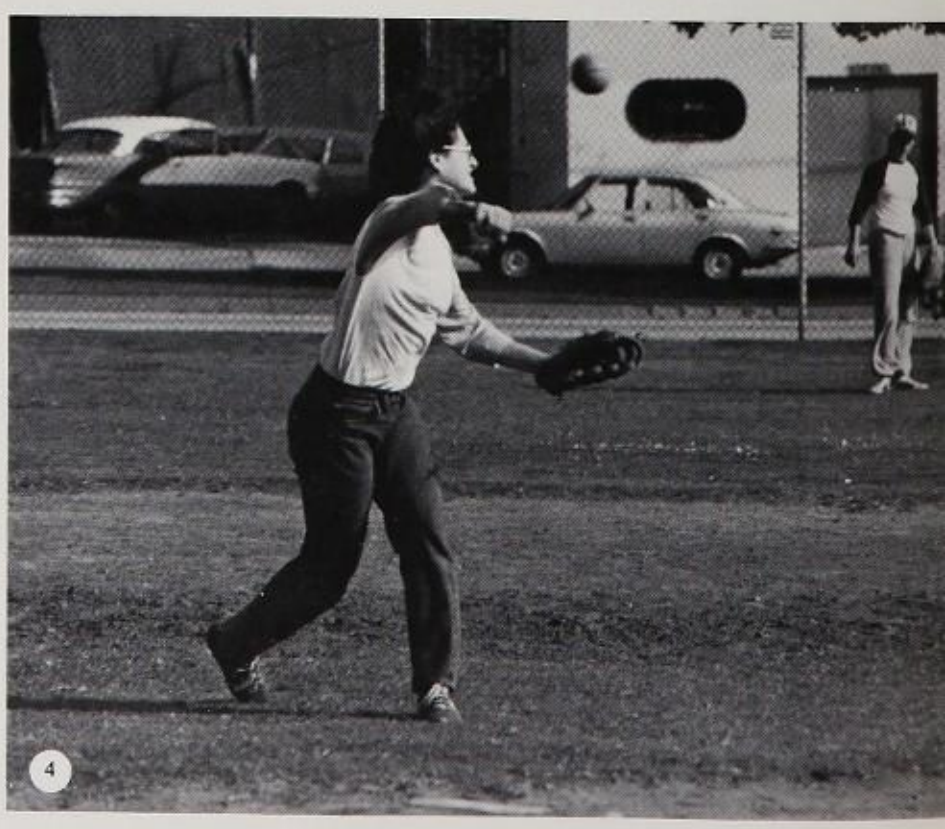
1980 marks another successful year of sports at Samohi. Successful not only in winning and championships, but in losing with sportsmanship. Each team displayed an outstanding performance of team work and school spirit. It takes many people, long hours and much perseverance to make a great team. This was achieved many times this year by our dedicated athletes. The participants should be commended for giving their best to Samohi.

Softballers' — Big Hit

The Girls' Varsity Softball team is already making a hit in the Pioneer League. The 1980 softballers show a promising year with a 6-2 pre-season record. The fine point on the team is the excellent pitching staff. Terry Carroll, Lori Johnson and Kristy Adams are adding their talents to the team. Experience is also accountable for the team's success. There are four returning Varsity Seniors who are doing an outstanding job. Carolyn Reader, Cathy Hoover, Mary Hirt and Susan Dyer are working hard.

Coach Jamie Jimenez is working with the girls and hopes for a sensational year.





1. Kristy French throws ball from the outfield.

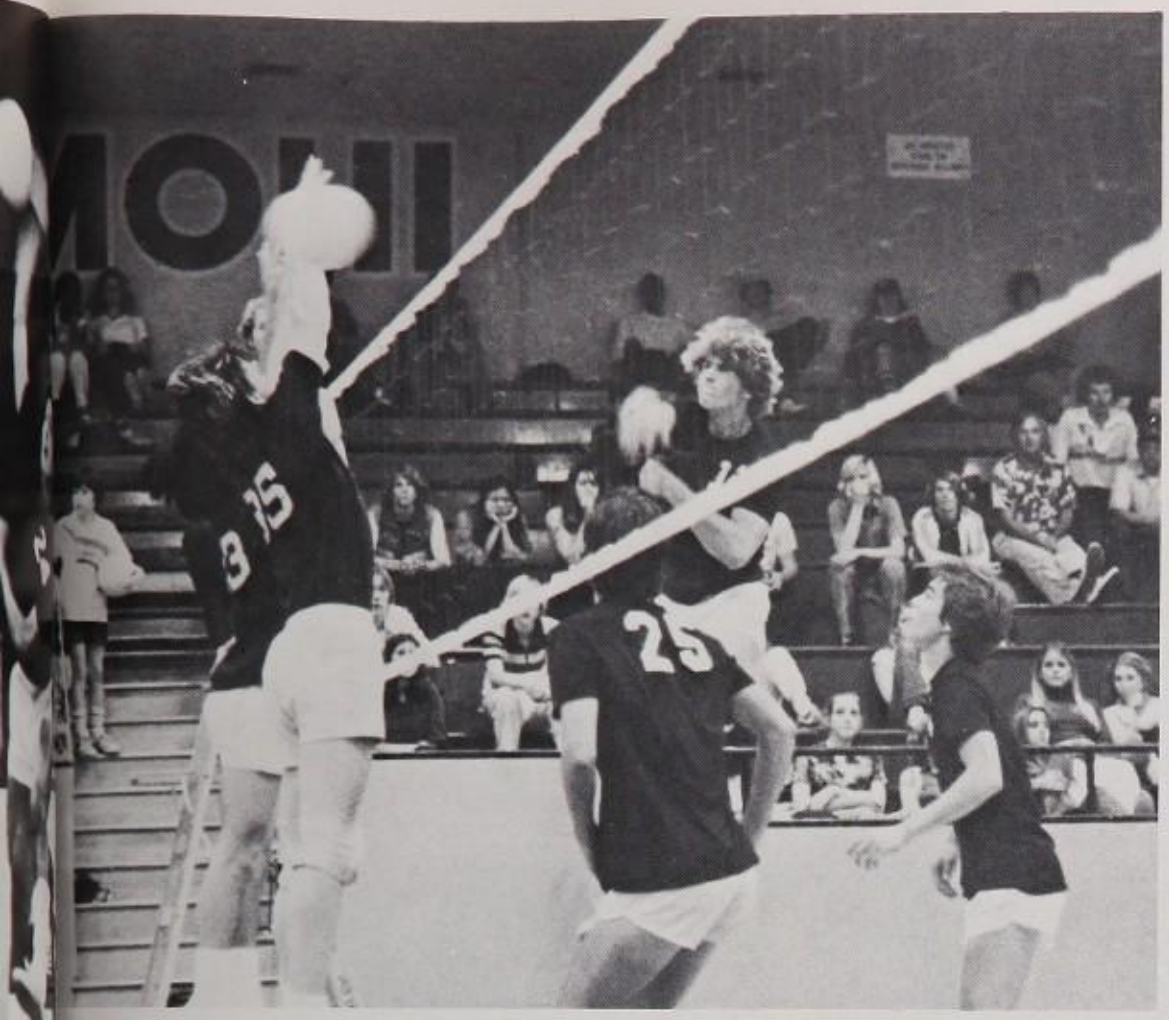
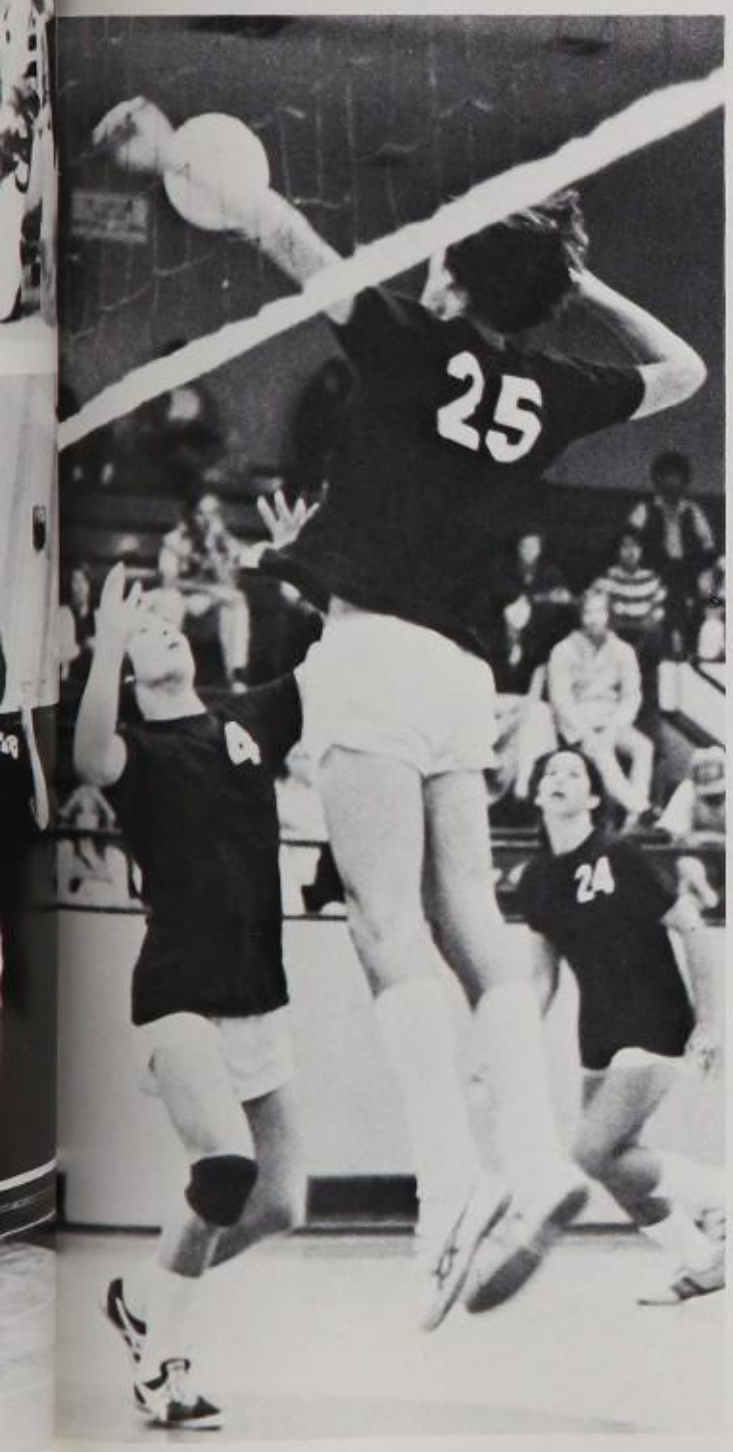
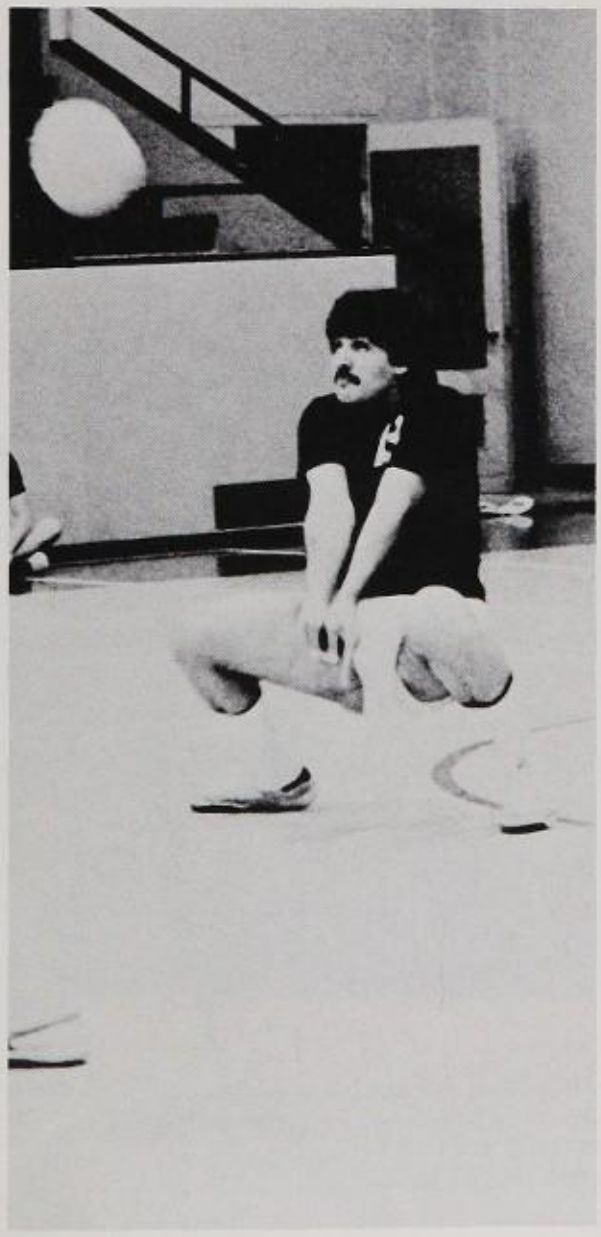
Spikers Fare Well

The 1980 Varsity Volleyball team had a tough act to follow this year because last year's team was CIF Champions. With Chris Hokanson, Ed Fuchs, and Scott Sato as the only returning Varsity Letterman, the team had some difficulty playing up to everyone's expectations. At times they were hampered by discouraged attitudes, but they still received a lot of support from the loyal student body.







Coach Larry Coleman did a good job chanelling the talents of his inexperienced athletes into volleyball. He succeeded in developing a cohesive team that played very well together when they concentrated on it. Bill Behling, Scott Putnam, and Bill Niles were consistently steady and powerful players.

Since most of the members of the team are juniors this year, Samohi can look forward to a good season in 1981 when they have gained the invaluable experience that they need to become champions.

The Junior Varsity Volleyball team had an exceptionally good season this year. In the past, the JV has been primarily a training ground for future varsity players without too much emphasis on winning. This year, however, the guys were practically undefeated. They also took first place in a weekend tournament at Redondo High School.

Halfway through the season they got a new coach, Evan Kubeck, a member of the 1979 CIF championship team. This left Coach Coleman with more time for the varsity and gave the JV a greater sense of unity.

With the depth of this year's JV and Varsity teams, the future of Samohi volleyball looks exceptionally bright.

Strokers Hot Up To Par

Despite their 1-3 record, Coach Steere says they "should get into playoffs" and that they "can beat the rest of the teams." The team's leading golfer Mark Dendekker, the best in the South Bay Athletic Association, has an average of 38.5 for each 9 holes. Mike Jones, another prominent player on the team, recently shot a 37. Among the other players, Pat Parker is the steadiest.

Boys' Track And Field Running Hard

Along with Girls' Track, the Boys' Track and Field team had suffered many injuries. The boys lack team unity which is essential for a successful season. However, there were outstanding performances given by Roby Rosenville, Willie Atlas, Tony Phillips, Charlie Yen, Andre Marshall and Sydney Curtis. The Relay 440 team has gone undefeated at mid-season.

George Brostrom is doing well in the shotput along with Jeff Hauser in the high jump.

The Thinclads displayed a 4-1 mid-season record in the Bay League.

1. Bill Niles races ahead of his opponent.
2. Roosevelt Roby and Charlie Yen intently watch the womens race.
3. Roosevelt Roby off the starting blocks.

I really appreciated working with this fine staff. We all had one goal in common, to produce the best book we possibly could. Though we had troubled times, we reached our goal. I would like to thank Ms. McGonigle for her support on behalf of myself and the staff. A "commendable show" -Lisa K. and Andrew J.- we got it done!!! An extra special thanks to the "creep" -who- as he should know, is far from a creep to me.

One Last Look

Will you now go one way and me another? Will our different interests divide us? Changes made us come together, are they now going to tear us apart? I know we can't live in yesterday. Can changes make us loose what we've worked so hard for? Changes may alter our future, but when we take a look around us, we see that no matter how severe the changes, special friendships always survive.
